ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

January 5, 1973

Vern Perry

THIS WEEK---January 10, 1973

Roosevelt Hotel---Russ Jensen of Weyerhaeuser with a film and commentary telling us what the lumber industry is doing to conserve the trees and replace them as they are consumed by the building and paper making industries.

## MID-WINTER CONFERENCE

Omaha Hilton Hotel, Saturday, January 20. Bill Jameson, Dick Landis, Joe Power, Russ Mueller and Roy Parker are making plans to drive over for the affair. President Jameson is encouraging others to join the party and asks that you give him a call if you can make it. Present plans are to leave early the morning of the 20th and return the same night.

LADIES MEETING---Wednesday, January 10, 1:00 PM

Mrs. Warren Fackler, Director of the Volunteer Action Center will speak on "Volunteer Opportunities in the Community." The place? The home of the James Downings, 3017 Terry Drive S.E. Call Mildred Downing (362-4355) if you plan to attend. Call Catherine Perry (362-1269) if you need a ride. The program has been selected to complement the KIWANIS International 1972-1973 theme "Share Your Life."

## NO EXCUSES

Attendance Committee Chairman, Clarence Fenner, asks that I remind you that you can "make up" meetings by attending club meetings of any KIWANIS club. We are fortunate in that there are, in addition to the Downtown KIWANIS Club, three other clubs in CR and one in Marion. They meet as follows:

Five Seasons	Downtown Bishop's	7:00 AM Tues.
East Side	Charlie's East	Noon Tues.
Metropolitan	Roosevelt Hotel	6:00 Thurs.
Marion	Suburban	6:15 Thurs.

## COMMITTEE CHANGES

President Bill advises that some changes have been made in the organization of the committees. A new sheet, showing some new assignments will be distributed soon. Basically, the changes are designed to improve the reporting and coordination of committee activities; place additional emphasis on Share Your Life and appoint a Publicity Committee to further relations with the communications media.

## BOARD MEETING

It was amazing! Twenty officers, committee chairmen and members attended the Board Meeting at Bishop's last Tuesday noon. Didn't think the food was that good. And no dancing girls. But it's great. Keep it up!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

**Iowa**

January 12, 1973  
Vern Perry, Editor

THIS WEEK---January 17, 1973

Roosevelt Hotel---An opportunity to register your complaints. Weatherman Conrad Johnson will try to explain away the winter of '72-'73.

## SHARE YOUR LIFE PROGRESS REPORT

SYL Committee Chairman Roy Parker reports Wally Brown, Ralph Dresher, Bob Rush and Gene Young have volunteered to utilize their backgrounds and experience to help those in need of guidance and/or help.

If Bob "Punchy" Rush shows up next Wednesday with a black eye -- you may sympathize -- but it may be more appropriate to congratulate the ol' pro on having the guts to get into the ring with the young fellows at the Jane Boyd Community Center. Bob "gratiously" has agreed to teach the young fellows the manly art of self defense. Boxin', as they say down at the gym!

## FIVE SEASONS

President Bill reports that the Five Seasons KIWANIS Club got off to a flying start last Thursday evening. The attendance at the Charter Meeting was considerably larger than anticipated, with local KIWANIS Clubs and clubs from as far away as Marshalltown being represented.

## PROGRAM January 24

Program Chairman Russ Mueller advises that the program for Wednesday, January 24 will feature Linn County Sheriff Grant.

## DRUGMOBILE FOR SALE

The January issue of the NEBRASKA-IOWA District Bulletin reports in a front page story that the "decision has been made to sell the Kiwanis O.D.A. bus, better known as the Drugmobile." All KIWANIS clubs are asked to help get the word around that the air-conditioned, electric-generator equipped bus will be sold to the highest bidder.

## LAST WEEK

What is it about a tree that makes it sacreligious to cut it down? Organizations such as Weyerhaeuser plant, tend and harvest trees like Iowa farmers raise and harvest corn and soybeans. Last Wednesday noon, Cedar Rapids Weyerhaeuser Plant Manager Russ Jensen discussed company operations and followed his comments with a most interesting and informative film, "To Touch the Sky" narrated by Eddie Albert of Hollywood and TV fame.

Russ Jensen is a native of Minnesota, having moved to CR in 1971 to manage Weyerhaeuser's local corrugated carton plant. Weyerhaeuser employees, some 130 in CR, fabricate shipping and storage cartons to order for customers within a radius of 200 miles of CR. Paper for use in the making of boxes is delivered to Weyerhaeuser's plant in rolls eight feet wide. The rolled paper is corrugated in the CR plant and cut and folded into cartons and boxes as required. Weyerhaeuser owns some 5.7 million acres of timberland and has a lease/license agreement covering another 10 million acres in this country and abroad. Growing trees in the most efficient manner, utilizing the most modern techniques and methods is an important part of their business. It takes 25 years or more to raise a tree from seed to the point where it is ready for harvest. The industry speaks in terms of the "high yield forest," with ever improving methods sought to improve that yield. Did you know that each of us uses the equivalent of one large tree each year?

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

January 19, 1973  
Vern Perry, Editor

THIS WEEK----January 24, 1973

Roosevelt Hotel--Linn County Sheriff Grant telling how it is to try to fulfill the duties of the office when one has so many "helpers" providing advice and guidance!

## PRIZES GALORE

And that isn't all---Be sure to be on hand Wednesday for the drawing for a number of useful, unique and unusual door prizes. President Bill promises a surprise, which may well build a firm foundation for a Downtown KIWANIS project which could have far-reaching effects upon the environment of the community. Don't miss the drawing!

## GUEST

Lee Tylor of Sioux City, guest of Dave McFarland.

## ANNIVERSARIES

Frank Race-----January 1, 1949.  
Richard Chandler----January 16, 1971.  
Glenn Bender-----January 12, 1972.

## LAST WEEK

Meteorologist Conrad Johnson has been telecasting the weather for some 20 years---more than 11,000 times on the air! Conrad started his pitch by apologizing for not being "better at forecasting after having been doing it so long" but I think he had us pretty well convinced by the time he finished his talk that he and his fellow meteorologists, using the tools of science, have come a long way in improving the accuracy of their predictions during recent years.

Conrad said that the weather had been a hobby of his as a youngster. As he grew older, he became more interested in the science of meteorology and studied at Purdue, Penn State and the University of Iowa prior to entering the field of forecasting. He began his TV career at Sioux City. One thing bothers him. In the early days of forecasting, the meteorologists were given much more air time than they are today. Conrad began with 15 minutes twice a day and now is down to 3 minutes twice a day! He said every forecaster feels that he has the most difficult job---but Conrad thinks the midwest is no picnic, with air masses coming in from all directions and often meeting on a collision course over this part of the country. Data gathered by satellites and the utilization of computers to draw maps and compile and analyze data have speeded and improved the accuracy of weather forecasting.

Conrad Johnson says---He doesn't feel man should try to make major modifications in the weather. Weather is presently no respecter of social, political and economic boundaries. (He obviously believes that decisions should be left to that Higher Power.) Meteorologists and statisticians indicate that weather predictions are 95% accurate for 12 hours in advance, 88% accurate for 24 hours, 65% for 48 hours and drop off to 30% when predicting 72 hours ahead. The oft-mentioned "jetstreams" definitely affect the weather. Conrad isn't convinced that solar activity has any affect. Rainmaking by "seeding" clouds as they float over, control and breaking up of hailstorms by "seeding" and the modification of the route of a hurricane-type of storm all appear to have promise and are not considered to be "major modifications" by Conrad. But, did you know that 42 of the 50 states have laws to prevent tampering with the weather?

## BOWLING

Bob Butterfield wasn't on deck last Wednesday to give us the latest on the Downtown KIWANIS team, so Dick Landis filled in, reporting that there is little change in the standing of "our Team." And Dick pointed out that the District Tournament is coming up at Ft. Dodge, either February 17-18 or 24-25 (to be decided) and that registrations must be in by January 25. Contact Bob Butterfield if you feel that this is your year.

THIS WEEK---January 31, 1973

Roosevelt Hotel--Jim Loyd, Downtown KIWANIAN of "Around-the-House" and "Open Line" fame, with words and pictures, telling us about his "Hawaiian Holiday." And during lunch---committee meetings, so we will sit by committees next Wednesday.

## WINNERS

Bill Chadima, Bill Pohorsky, Warren McAllister, Arnold Herbst and Sheriff Grant won antique bricks at the drawing last Wednesday. Albert Gee advises the bricks may become valuable keepsakes---depending upon your point of view. They came from a CR street. But, as Bill Jameson pointed out, these aren't any ordinary bricks; they could be the water conservationist's means to the attainment of a goal. They are high-temperature glazed and embossed bricks - the kind best suited to being dropped into a water closet tank. Mathematician that he is, Bill Jameson has it all figured out how many hundred thousand gallons of water will be saved if everyone in Cedar Rapids will just "drop a brick in his toilet tank."

## LAST WEEK

Wonder if Sheriff Walter Grant developed his Buster Keaton dead-pan expression since becoming sheriff---or did it come natural for him? Thought President Bill did an excellent job introducing Sheriff Grant, but the effort appeared to have fallen upon our speaker's deaf ear. But, Bill, your efforts were appreciated... especially that bit about Sheriff Grant being something of an agriculturist as evidenced by his recent efforts to introduce Cotton into the jail, or whatever it was you said!

Sheriff Grant grew up in Tennessee, met an Iowa gal someplace and wound up in our midst. He did his graduate work in law enforcement while in the Navy stationed at Norfolk, responsible for the Shore Patrol.

As Walter Grant explains it, the duties of sheriff are 60% civil and 40% criminal, with specialist deputies assigned to work in specific areas. Civil actions include condemnation of property and eviction and the serving of other legal papers. Criminal activities cover the full range from minor offenses to investigation of crimes of violence such as murder and working with the Metro Narcotics Squad of Cedar Rapids/Marion to tag the pushers. But, we didn't hear about the more interesting facets of the job, such as those related to the activities in the offices on the island which sometimes surface in the press!

## VISITORS

Dave Welander, Director of Data Processing for CR Schools, guest of Bill Jameson.

Virgil Brownfield from Floriday (former Downtown KIWANIAN), guest of Orie Lawrence.

Bruce Anderson, Program Director for WMT, guest of Jim Oetken.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

February 2, 1973  
Vern Perry, Editor

THIS WEEK----February 7, 1973

Roosevelt Hotel--The film of the 1972 World Series. Don Buchheister, General Manager of the Cedar Rapids ASTROS, will be on hand to tell us something of baseball in Cedar Rapids during 1973. This will be the first season for the Houston/CR working agreement. Starting with a clean slate and a new outlook. May the Houston ASTROS assign some good players to go with that clean slate! Anyway---here is your opportunity to hear from the General Manager how it looks to him.

BOARD MEETING----Tuesday Noon, February 6, Bishop's Downtown.

A once-a-month opportunity to get your two-bits in with the decision makers! Last month 21 members, board members and officers had lunch together the first Tuesday. If you haven't been to a board meeting recently---you're about due. How about joining the gang February 6? And, as Secretary Joe Power points out, your just attending will count as a make-up for some Wednesday you just can't make it to the luncheon meeting. See you there.

MORE EARLY BIRDS

The CR Gazette for Wednesday, January 31 reports that---"The new Hiawatha Trail Kiwanis Club was organized Tuesday morning at a meeting at the Suburban restaurant. Some 27 business and professional men attended." And you know what? They will hold weekly meetings at 6:55 A.M. each Tuesday morning at the Suburban. Another opportunity for all early risers to pick up a few make-up meetings! (But, you won't see me there. Noon is early enough for me!)

COMMITTEE REPORTS

Joe Power reminds us that reports from the committee chairmen are due no later than Wednesday, February 6. Assume you looked at the committee organization sheet which President Bill distributed last Wednesday. If you didn't ya better. You may be a committee chairman with responsibilities!

COMING UP

Wednesday, February 14, Mayor Don Canney will air some of his achievements and problems for us following lunch. Wednesday, February 21, Coe basketball coach Marcus Jackson will discuss his team and the season. At this writing, Coe and Knox share the lead, each with 5 wins and no losses in the Midwest Conference. A series of conference games the weekend of February 2/3 could change the picture but-----no matter, I'll be looking forward to hearing Coach Jackson.

LAST WEEK

Last Wednesday we went on a Loyd Tour thru the Cook Islands. I mean, the Hawaiian Islands. A most interesting one hour tour on film with appropriate music and commentary by Jim. For those who have been to the islands, Jim threw in pictures of an old billy goat playing ring-around-the-rosy with some nannies on the side of a volcanic hill and some pregnant whales cavorting in the surf. And that last sequence.....! Was that really shot in Hawaii, Jim? Now, you have even those who have been to the Islands interested in joining the next tour. Apparently you saw something they missed the first trip!

Those pictures of the University of Hawaii campus makes one want to go back to college; and the blue water and sand beach makes even non-swimming land-Tubbers like me want to wet a toe; and the Polynesian Cultural Center and the Oriental Temple and Garden, while obviously tourist attracting features, seem particularly interesting during January in Iowa!

But, Jim, do those gyrating grass skirts really have more appeal than a weaving and gyrating field of near-ripe grain in this heartland of America? Nothing very sexy about a field of weaving grain, you say! Must be getting old. I hadn't noticed the difference!

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

February 9, 1973  
Vern Perry, Editor

EXTRA---The Roosevelt Wednesday Lunch tab has been reduced to two bucks plus tax!

THIS WEEK---February 14, 1973

Roosevelt Hotel--Mayor Don Canney with a low key "state of the city" message. Incidentally, a point concerning the mayor and the search for the young Boy Scout in the Toddville area which didn't make the GAZETTE, was that Don Canney spent most of Monday, February 5, riding with the helicopter pilot as observer trying to sight clues which might lead to the locating of the missing boy. And the pilot says it wasn't any pleasure jaunt!

PIN A NAME ON THE CREATURE

Porky, the Downtown KIWANIS' pig, is being replaced. Or, possibly a better term is "Retired." But, the truth of the matter is that he just isn't big enough to digest the large amount of lettuce that has been coming his way recently. Dick Landis asked a friend of his to provide a replacement. The replacement looks a lot like Donald---two web feet, a long flat beak, two beady eyes and a cocky air.

But our new "banker" needs a name. Members have been asked to turn in a suggestion to Dick no later than prayer-time Wednesday, February 14. A name will be drawn from the "hat" and our new found friend will be christened. To the member whose suggestion is drawn---a \$25 Savings Bond made out to a daughter, son or grandchild! Your suggested name doesn't have to be appropriate---but it must be in the hat in order to win!

GALS MEETING

The KIWANIS' Ladies will meet Wednesday, February 14 at 10:00 A.M. in the home of Mrs. Kenneth Rudd, 150 Thompson Drive S.E. Assisting hostesses are Mrs. Don Isett and Mrs. Bill Pohorsky. The program--readings appropriate to the season by John Fisher and Ann Fleetwood, students of Dr. Ted Reis, Coe College. All KIWANIS' wives are welcome and invited to contact one of the three hostesses to make a reservation. Don't wait for a call. Call them!

BIRTHDAY BANDIT

Appears one of our best money-making projects is birthdays! Of course, there are members like John Palmer who refuse to give the pig indigestion by feeding it green stuff, instead insisting upon putting in the number of coins appropriate to his age. John fed Porky three quarters! Some fellows sure don't show their age.

OLYMPICS COMING UP---February 25 / March 4 / March 6

Ken Hunter, Chairman of the Downtown KIWANIS' Interservice Club Olympics Committee, distributed sign-up sheets at the meeting last Wednesday noon. There are games for everyone, from handball and swimming to cribbage and the liar's contest. Don't recall that our record in previous years has been such that we can rest on our laurels! So, step forward and take your place among the contestants--for the glory of old DTK!

NAME/ADDRESS CHANGES

Is your name, address and telephone number correct on the reverse side of this sheet? If it isn't, give Joe Power a note with the correction next Wednesday -- or before. The list is being revised. It will be three months before the next revision.

LAST WEEK

Don Buchheister, General Manager of the Cedar Rapids Astros, has high hopes that the Houston Astros will give the CR team better support than was given the Cardinals. Don says the parent St. Louis Cardinals lost a large chunk of change last year and when they came to counting their blessings, the management decided they could dispense with the CR Club. A number of good players went thru CR, but they didn't stay long enough to make their presence felt in the league standings. But, it's a whole new ballgame! A new parent and a new club---the Cedar Rapids ASTROS. Russ Mueller, Orie Lawrence and others will be glad to help you arrange for your book of tickets for the coming season.

And the film of the 1972 World Series. GREAT! I had to leave before they played the last game, so I'll never know who won the series. Imagine the footage of film they must shoot to be able to edit it down to 40 minutes of drama-packed baseball like that film!

BY-LAW CHANGE PROPOSED

At a meeting last week the Board of the Downtown KIWANIS discussed a proposed change to the by-laws and hereby presents their recommendation for the consideration of the members. The Board recommends that the Section of the by-laws which applies to the election of officers be changed to call for election of officers during the first meeting in April--rather the first meeting in June. The reasons for the recommendation are (1) that if the officers are elected earlier, the incoming vice president will have an opportunity to attend the international convention and (2) it will make it possible to advise the international organization of the identity of the new officers prior to the international convention.

INTERCLUB--Marengo, Wednesday, February 14, Noon

Bob Blinn is trying to get a group together to make an interclub of it. Give him a call if you can make it. He needs more volunteers.

ANNIVERSARY---Bill Pohorsky, February 5, 1954.

## THIS WEEK---February 21, 1973

Roosevelt Hotel---Marcus Jackson, Coach of the outstanding Coe College Basketball team letting us in some of his secrets! As of the time of this writing, Coe is the only unbeaten club in the Midwest Conference, with a 9-0 going for them. Ripon and Knox are tied for second place, each with records of 6-3. Coach Jackson has compiled a record for the season which leads one to feel that he has a way of getting the most out of every member of the team.

## OLYMPICS---February 25 / March 4 / March 6

See Ken Hunter and get your name on the list of contestants.

## DOUBLE BREASTED

Understand Woman's Libber Betty Friedan is about to challenge men's exclusive right to button from left to right. Anyone still have one of those coats which could be buttoned either way?

## TANX

PARADE for February 11, 1973 carried a two page article by Tilly Spetgang reporting on her "A-Brick-In-Every-Toilet-Tank" program. Her home town, Cherry Hill, N.J. went at it full tilt. It took 68 tons of bricks (34,000) to do the job. It has been calculated that Cherry Hill will save 34 million gallons per year!

## LAST WEEK

Mayor Don Canney reports the municipal governments are being given responsibility for many programs such as transportation, ambulance service, manpower and employment programs, housing, human rights, etc., previously supervised and funded by the Feds. Don says the council has been handed the whole ball of wax-----except the money required to do the job. And there appears to be no means for obtaining funding for many of the projects. Quite a switch from recent attitude fostered by a benevolent Uncle Sam! -- with an unlimited bank account!

Some specifics----Contract for the I-380 bridge and dam will be let in April '74. I-380 from the airport road to I-80 will be opened to traffice in late summer '73. Little chance the regional airport concept will develop; communities other than CR have little interest---being they have use of the CR airport without contributing to the kitty. Vinton ditch project has been frozen for lack of funding; affected are 28,000 people -- cost - "staggering." Oak Hill Neighborhood Development Project funding request of \$1.7 million cut to \$1.0 million. The 4th Street Tracks---"no comment" from the Mayor! And air pollution---it's just your nose. Chemical analysis of the odors indicate the stench is harmless. Well now, don't you feel better?

## DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

March 9, 1973

Vern Perry, Editor

THIS WEEK----March 14, 1973

Roosevelt Hotel--A discussion of "TV News, Its Strengths and Weaknesses" by WMT's newsman, John Bachman. A newsman is damned if he does and damned if he doesn't --- report the news as he sees it. Always skating on thin ice and living dangerously! But never dull. Should be interesting.

### KIWANIS LADIES MEET

One o'clock Wednesday, March 14 at the home of the Ed Bocks. Assisting hostesses will be Mrs. Charles Loomis and Mrs. Frank Wilbur. Four students from Coe College will present a program of instrumental music. The KIWANIS members' wives are all invited ---- but, give one of the hostesses, or Catherine Perry, a call if you plan to attend.

### VOTE--AND THE CHOICE IS YOURS

This coming Wednesday noon, March 14, the members of the Downtown KIWANIS will be asked to vote on a previously mentioned change to the club's by-laws. The Board has recommended that the election of officers be held during the first meeting in April of each year --- rather than the first meeting in June. It's primarily a matter of moving up the election so that action can be taken prior to the International Convention to get the new officers "on board," and the Convention committee advised who will attend from our club well in advance of the convention date.

### CHARTER NIGHT--HIAWATHA TRAIL CLUB---Tuesday, March 27

You and your gal friend are invited. The Hiawatha Trail KIWANIS Club's Charter Night meeting will be held Tuesday evening, March 27 at the Longbranch Supper Club. If you can make it, give Bill Jameson a call no later than Sunday, March 25.

### POLICY APPROVED---Donations

The Board last week approved a plan/policy for the distribution of our gumball machine take and other funds which become available for use for charitable purposes. President Bill earlier had appointed a committee to investigate the matter and asked them to come up with a policy statement. The committee presented a carefully researched, concise statement which was adopted by the board at the March 6, 1973 meeting. (The requests for help keep piling up and we don't have nearly enough money to go around.) Basically, the policy will be to help deserving individuals, residents of C.R., who are in need of medical or dental care --- the decision, as in the past, is being made by the Downtown KIWANIS' committee responsible for such matters. The club will not contribute to general fund drives.

### MEDAL WINNERS -- LAST WEEK

If the Downtown KIWANIS continue this year's long-stride-forward, the club will win the Service Club Olympics in 1975! Olympics Chairman Ken Hunter checked the records and found we came in 9th last year. This year we came in 5th! How about that? And, we were 3rd in percentage of members attending. And furthermore, while most of you probably noticed the article in the Wednesday, March 7 GAZETTE, in case you missed it, I quote--- "The fifth-place Kiwanis Club earned the second highest number of first-place finishes, topping competition in ball pitch, free throw shooting, golf pitch, and racquetball." Ken Hunter advises six DTK's were entered in each of these events except racquetball. In that event Al Bickel carried the whole load. In case you haven't heard--- the Tuesday Noon Optimist Club "successfully defended its 1972 title against 15 challengers." With such a roster of athletes--- seems strange that "Butterfield's Bowlers" can't work themselves out of the cellar!

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

March 23, 1973  
Vern Perry, Editor

THIS WEEK---Wednesday, March 28, 1973

Roosevelt Hotel---Dr. Robert Parks, President of Iowa State University discussing activities on campus at Ames and plans for the future. This is a joint meeting with the Thursday Noon Lions. Members of all other service clubs are cordially invited to join us and hear Dr. Parks.

ELECTION---April 4, 1973

The nominating committee---Jim Luhrs, Frank Cosgrove, Joe Stenner, and Roy Parker---present the following slate officers and board members for 1973-1974: President---Dick Landis; 1st Vice President---Russ Mueller; 2nd Vice President---Steve Root and Duane Anton; Treasurer---Ken Holvenstott; Board Members---Arnold Herbst, Charles McIntyre, Jim Oetken, Bob Butterfield, Gene Young and Ken Hunter (three board members to be elected). Give it some thought. As president Bill Jameson points out, nominations from the floor will be welcomed prior to election at the Wednesday noon meeting, April 4.

COMMITTEE CHAIRMEN

Joe Power points out that it is that time of the month again---your committee reports are due. What have you been doing since he last heard from you?

KIWANIS FLAPJACKS

Promoter Ed Colton is currently recruiting helpers to arrange a KIWANIS Pancake Day. If you want to get in on the fun, give Ed a call.

MEMBERSHIP COMMITTEE REPORT---Arnold Herbst

Arnold Herbst feels that it is just as important to encourage present members to become "good members" as it is to round up new members. Doc Fenner's attendance report, distributed with last week's issue of the Bulletin, pointed out---as no other form of report could---that attendance could be improved! Arnold asks that each of us give one of the "backsliders" a call, telling him how we have missed him. Just to show him that we care! Sounds like a good suggestion---from a pro in the membership game!

Arnold and his committee aren't forgetting that it is important to line up new members for the Club. But he thinks you and I should share the responsibility. It shouldn't be left entirely to the Membership Committee. He points out that we did (or at least a few of the members did) a fine job during the recent membership drive headed by Doug Valentine---but we have lost some ground recently. Membership is at 97, with three members lost and only two added in recent weeks. Are you thinking of a prospect? And more important, have you asked him to join you for lunch some Wednesday noon?

LAST WEEK

I'm sorry. If you weren't at the meeting last Wednesday noon---there is little I can do to fill you in. I always thought so, but now I'm convinced---Genetics isn't my field. Give me a few words and I can usually make a story out of it, but I can't fake it in Genetics! Don't get me wrong, I think Mrs. Jane Simpson did a fine job telling a scientific story in layman's language. I learned a lot. But I can't put it on paper!

Mrs. Simpson is on the staff of the University of Iowa, working with doctors and other staff members to counsel families with a problem and doing research aimed at providing a better understanding of the affect of maverick chromosomes and genes. Mrs. Simpson grew up in Cincinnati, Ohio; did her undergraduate work at Hanover College, Hanover, Indiana; enrolled in nurses training in Cincinnati and received her R.N.; married Mr. Simpson, who is presently a minister on the campus of the University of Iowa; earned her MS in genetics and in addition, found time to raise four children, the youngest presently a student at the U of Iowa! A remarkable woman!

VISITOR

Bob Fox of Allied Glass guest of Rick Chandler.

SAY FELLAS---Sure would appreciate it if you would send me pertinent news items for the Bulletin. I usually don't have time to call you or run you down---but I really am interested. I'm always under-the-gun on time and just throw together what I have laying around! May I hear from you?

**IOWA**

a place to grow

March 30, 1973

Vern Perry, Editor

THIS WEEK---April 4, 1973

ROOSEVELT HOTEL---Ken Hastie will present the Downtown Cedar Rapids story in pictures and words. This is a Chamber of Commerce program designed to tell the story of downtown CR present and future.

BOARD MEETING---Tuesday, April 3, 1973, Noon, Downtown Bishop's.

## COMING UP

Program Chairman Russ Mueller advises that we will meet in and tour The Geneva Towers on Wednesday, April 11th. Ed Bock is making the arrangements.

## JOE WANTS TO KNOW

Joe Power is checking the records of the long-time members of downtown KIWANIS who always have been members of our club---or have transferred in from another KIWANIS Club. Joe is most interested in those who have been members of KIWANIS for 25 years or more. If you are one of those, give Joe a call at 363-1321 and ask him to take a look at his records.

## LAST WEEK

Iowa State University President Dr. Robert Parks reports that enrollment at the University appears to have leveled off at around 19,000 students. Present enrollment is 19,200---the same as last year. He admits now that the administrators of the university are quite relieved. They all wondered if the rapid growth of the '60's would continue, and what they would do for facilities and staff if it did!

You will recall that last week's meeting was a joint meeting with the Thursday Noon Lions. The turnout was good with the room nearly filled with a good mix of Lions, KIWANIANS and guests.

Dr. Parks' presentation was in the form of a state-of-the-university report with his verbal discussion supplemented by slides picturing new buildings on campus---C.Y. Stephens Auditorium, Hilton Coliseum, Engineering Building, Computer Center, Liberal Arts and Social Science Building, etc.---and architects' drawings of facilities in the planning stage such as the School of Veterinary Medicine, and the continuing Education Center. He indicated the federal government's about face in supplemental funding for such projects has thrown a few transients into the building picture. But in general, Iowa State University appears to be in a better position than most. Funding for the Stephens Auditorium, The Coliseum, a small Theatre currently under construction and the Continuing Education Center is not provided by taxes but is money contributed by alumni and friends of the university thru the University Foundation.

For the sports enthusiasts, Dr. Parks says that prospects are good and some of the teams, particularly the wrestling and gymnast teams, have been setting records. All in all it was an interesting half hour.

## SPARED

Frankly, I was quite relieved when I didn't find a new bowling ball in the front seat of my car after lunch last Wednesday! Bob Butterfield promised me I would---and I knew I had locked all the doors! Only favorable reports on the bowling team's activities from now on. But will you guys please win a game once in a while so I'll have something to report?

## VISITORS

Joe Morton, Director of Iowa State University Foundation. Russ Swenson, Director Iowa State Extension, Eastern Iowa. Don Gilbert of Jonesboro, Ark. guest of Charles McIntyre. Ken Landis of Mt. Vernon guest of Uncle Dick Landis. William Ramstad, Asst. Superintendent of CR Schools guest of Dick Landis. Dr. Russ Anthony, DVM and 1st President of Cyclone Club. Dr. Leo Nussbaum, President of Coe College. Dr. Joe McCabe, Former President of Coe College. Norman Lipsky, President of the CR School Board. Father Klein, Regis High School. Vern Perry, Editor

## THIS WEEK---April 11, 1973---GENEVA TOWER

Meet - Geneva Tower, 1st floor. Ed Bock has arranged for a catered lunch, a discussion and a tour. Price of the lunch will be the same as the Wednesday noon lunch at the Roosevelt. The building was completed during May 1971. All apartments have been filled for the past year and they currently have some forty on the waiting list! Several of the residents will be guests next Wednesday. You may recall that during the time the Geneva Tower was under construction, we were given a report of the project. This week we will have the summary report and a look at the results.

## ELECTION RESULTS

For the year 1973-1974: President-----Dick Landis  
1st Vice President-----Russ Mueller  
2nd Vice President-----Duane Anton  
New Board Members-----Bob Butterfield  
Arnold Herbst  
Charles McIntyre

## COMING UP

April 18---Meet at noon at the 1st Presbyterian Church, 3rd Ave. and 5th St., East. Dr. Arnold Herbst will be the speaker.  
April 25---Dinner Meeting at the Roosevelt Hotel. Ladies Night. Program---Legion of Honor awards to members of Downtown KIWANIS who have been members of KIWANIS for 25 years or more.

## AWARD---Roy Parker

Roy Parker was awarded a "Share Your Life" button last Wednesday by President Bill Jameson in appreciation for achievements, both as an individual and as chairman of our Share Your Life Committee.

## PHILOSOPHICAL BOWLERS

We have nothing to worry about. The future of our Holy Bowlers is assured. Clean living will triumph over all. Just as the lowly walnut grows slowly into a sturdy, majestic and valuable tree, the Downtown KIWANIS' bowling team will eventually rise from its present position to achieve enduring success---to paraphrase Bowlin' Bob's last Wednesday's report to the assemblage. So, fellow members, all we need is lots of patience and faith that the members of the team will live long and physically active lives!

## LAST WEEK

Jim Loyd introduced Ken Hastie who presented the Chamber of Commerce's, "7 Ages of a City," a 33 minute slide program about Cedar Rapids narrated by Dean Landfear. The story covered the period from the time the rapids-in-the-river lured the Indians to CR as it will appear in 1978. The slide show was two years in the making---and apparently had been in the discussion and planning stages for considerably longer. The historical portion was represented by some eight or ten paintings by Ed Bruns, supplemented by photographs of CR in days gone by. But, appropriately, the emphasis was on the immediate past, the present and the future---the Duane Arnold Energy Center, IE Tower, 5th Avenue Medical Complex, Coe's Fine Arts Center, Geneva Tower, etc. and additions currently in the planning stages such as the Brenton Bank and the Apartment-Shopping Arcade which are to be built in the block just west of the Roosevelt Hotel. Ya' know, I'm glad I live in Cedar Rapids! The past is interesting. The present satisfying. And the future promising.

YA' HEAR?---Don't show up at the Roosevelt next Wednesday. The meeting is at Geneva Tower, 1st floor.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

April 13, 1973

Vern Perry, Editor

## THIS WEEK---April 18, 1973

The First Presbyterian Church, 3rd Ave. and 5th St., East. The usual time. Dr. Arnold Herbst will speak, with a message appropriate to the season. For those who can't make it to 3rd and 5th ---- there will be a "round-table" at the Roosevelt.

## AND NEXT WEEK

A Legion of Honor dinner meeting at the Roosevelt Hotel Wednesday evening. Some 22 Downtown KIWANIANS each with more than 25 years of KIWANIS' membership, will be honored Ladies night. Tickets are enclosed. President Bill Jameson encourages all members to plan to attend. If you have questions, call Bill, Dick Landis, Joe Power or Russ Mueller. You will be contacted later this week or early next week in a survey to determine the approximate number who will be on hand for this memorable occasion.

GUEST-----Jerry Hiland, President of the Foundation responsible for the building and management of Geneva Tower.

## LAST WEEK

Lunch in the 1st floor activity area of Geneva Tower: a discussion of the facilities and activities by Ed Bock and Geneva Tower Director Glen Brehm and a tour of typical apartments in the Tower. Four residents of the building---John Robinson, Ray Smith, Tom McAllen and former Downtown KIWANIAN Ed Lundquist commented upon life in the Tower. They had nothing but good things to say for the management, the facility and the friendliness of their fellow residents.

Geneva Tower was some four years in the survey, investigative and financing stages; ten months in building and the first residents moved in during May '71. There are 192 apartments in the building; 132 are efficiency units and the balance are a one-bedroom arrangement. Each apartment has individual controls for air conditioning--heating and cooling. Applicants are carefully screened prior to acceptance as residents, and apparently Director Brehm runs a tight ship. If a resident doesn't abide by the rules, he is asked to pack up and seek other quarters! They currently have some forty on the waiting list --- so, apparently, the "tight ship" philosophy is appreciated by those who currently live in the Tower. The word gets around. Each new occupant(s) must sign a one-year lease, but after one year the agreement is on a 30-day basis. There are 12 stories of apartments above the ground floor. The 1st floor is given over to a meeting room, an activity room, a kitchen/pantry, a laundry room and the office. There is no basement. I'm sold. Geneva Tower --- a pleasant place to live, close to the action!

Iowa

a place to grow

April 20, 1973  
Vern Perry, Editor

THIS WEEK-----April 25, 1973-----6:30 P.M.

Roosevelt Hotel----The Downtown KIWANIS Legion of Honor Dinner. Tickets are enclosed. A committee headed by Gene Young will be in touch with you to find out if you will attend this important affair which will honor our friends who have been members of KIWANIS for 25 years or more. President Bill Jameson hopes that all of you who can will turn out to pay your respects to these fellow members who have given much of themselves over the years to further the growth and well-being of our community and fellowship within the fine organization known as the Downtown KIWANIS. The ladies are invited.

The following 22 members will be given this special recognition ---

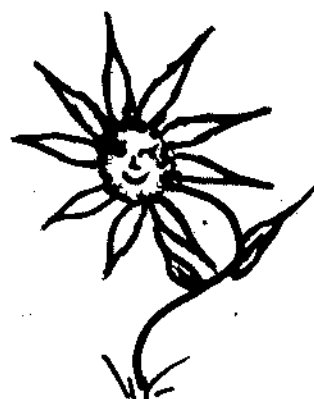

Robert Armstrong	50 years	John Kennedy	31 years
Oscar Anderson	46 years	Roy Parker	31 years
Joseph Stenner	44 years	Roy Stoddard	31 years
Walter Schultz	43 years	Howard Smith	29 years

BOARD MEETING-----Tuesday, May 1, 1973

Why mention it? It's two weeks away! Just so I wouldn't forget to let you know that we are back at the Roosevelt for our board meetings. A reasonable priced lunch will be served---- and it will be something other than our usual Wednesday fare.

LAST WEEK

Hope Arnold Herbst put in a good word for those of us who were unable to hold down a pew at the First Presbyterian Church last Wednesday noon!

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA  
INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

April 27, 1973  
Vern Perry, Editor

THIS WEEK-----May 2, 1973

Roosevelt Hotel---Dr. Dale D. Morgan, M.D. discussing a subject the press has labeled "The Right to Die." Dr. Morgan has practiced Anesthesiology in Cedar Rapids for 17 years. He was graduated from Franklin High School, Cedar Rapids; received his B.A. Degree from Coe College and then went on to study medicine at the University of Iowa. Dr. Dale is married and has two daughters, ages 16 and 18 years. He was a medical officer in the Navy during the Korean War and in the fall of 1966 served aboard the volunteer-manned medical ship U.S.S. Hope.

What do you think? Do you want to choose the time when you will die when you have a recognized terminal illness? Should the immediate family make the decision? Or should the doctor be saddled with the responsibility? Should the U.S. provide foreign aid to only those countries which have an effective population control program? These are a few of the questions which Dr. Morgan will discuss at next Wednesday's noon meeting.

BOARD MEETING-----Tuesday noon, May 1

Roosevelt Hotel. Soooo, if you can't make it to the Wednesday noon meeting (or even if you can), how about joining us for lunch Tuesday noon? You might even find the board meeting interesting!

COMMITTEE CHAIRMAN:

Secretary Joe Power reminds us that our reports are due. Joe says he would like to see a little less of this "Let Joe Do It" attitude. If you don't have anything to report, why don't you? No action or decisions this month? How come? (I feel I can make these remarks because I'm one of the worst. As Chairman of the Project Environment Committee, I'm a flop and one of Joe's worst!)

LAST WEEK

Thirteen of our Legion of Honor award recipients were on hand for the dinner at the Roosevelt Hotel last Wednesday evening. President Bill Jameson directed traffic during the actual presentation of certificates.

District Governor Carl Hayes brought us a message from district headquarters. And a delightful group from Youth For Christ entertained us with music during and following dinner.

Bob Butterfield rose to the occasion and brought us up to date on the status and standing of the Downtown KIWANIS' bowling team---I think! (Obviously, Bob and I didn't study engineering at the same school. I was taught that engineering is an exact science---none of this camouflaging of facts. But, I won't say any more about Bowling Bob's report because on Easter Sunday he and I shook hands in the church parking lot and agreed to bury the hatchet!)

The highlight of the evening was the presentation of a 50-year certificate of recognition to Bob Armstrong. Dick Landis did a bit of reminiscing, including a number of back-of-the-hand complements for Bob's many contributions to KIWANIS and the community. Words cannot adequately convey our appreciation, Bob.

Incidentally, Joe Power advises that a Legion of Honor luncheon will be scheduled for one of these Wednesday noons, possibly when Clyde Sanborn returns from the South. The nine remaining Legion of Honor members will be encouraged to attend and receive recognition and their certificates.

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

May 4, 1973

Vern Perry, Editor

THIS WEEK-----May 9, 1973

Roosevelt Hotel---WMT's Sports Director Ron Gonder with a return engagement to bring us up-to-date on happenings around the circuit. What will ya have? Football? Basketball? Baseball? Golf?

## LADIES MEETING

The KIWANIS Ladies will meet at the home of Mr. and Mrs. Russ Sandercock Wednesday morning, May 9 at ten o'clock. Mrs. Ludmill Prastka and Mrs. James Rasley will be the assisting hostesses. Sue Hanley, Home Economist at Barlow Foods, will present the program. All of the gals are invited. Just give one of the hostesses a call.

## COMIN' UP

May 16--An evening meeting with the other service clubs to honor outstanding students from the local high schools. Dr. Samuel Stumpf, President of Cornell College, will speak.

May 23--Annual Industrial Arts Award Luncheon.

May 30--Annual Essay Contest Awards Luncheon.

## 1st QUARTER TAKE

The Downtown KIWANIAN's 1st quarter share of the receipts from sale of gum and candy from those dandy little machines was \$433. Jim Rasley reports we currently have 354 machines out working for us. Iowa Manufacturing Company has the largest number (13 machines)--and we currently don't even have a member who is associated with that organization! Someone at Iowa Mfg. must like us. How about asking him to join the Downtwon KIWANIS?

## WELCOME LEE TAYLOR

Lee Taylor of the Boy Scouts of America, Explorer Divison, Cedar Rapids, was officially pinned and welcomed into the Downtown KIWANIS last Wednesday. Nice to have you with us, Lee.

## SPEAKING OF NEW MEMBERS

You should have heard what went on at last week's board meeting! 18 of us were on hand for the sandwich session at the Roosevelt. Our newest Vice President, Duane Anton, told us in no uncertain terms that he feels we are lying down on the job. Just because we have a committee assigned the task of rounding up prospects for membership, he doesn't feel we can sit back and relax. Just as a for-instance--when did you ask someone to join the organization? Or when have you really reviewed in your mind friends and acquaintances who have what it takes to become a member of this fine organization known as the Downtown KIWANIS? Your ears should be burnin'--you and you and me! (Incidentally, we just lost a good member. Bob Birr's resignation was accepted at this same board meeting. Bob's present traveling job--being expanded this spring--makes it impossible for him to attend. But, he says some day he may be back--if his assignment changes.) So, as Duane points out, we are losing ground. Give it some thought--but better still, take some action!

## LAST WEEK

Bob Armstrong introduced Dr. Dale Morgan, pointing out that Dr. Dale is another alumni of that now famous Sunday School class. Dale grew up in Cedar Rapids, graduated from Coe College and then went on to the U. of Iowa to study medicine. As an anesthesiast, he says his usual assignment is to put the patient to sleep, but he is most proud that he can usually wake them up! (The daughter of a clergyman friend of Dale's once pointed out to him that he wasn't the only one who could put people to sleep. Her Dad was quite successful in the same field!)

Dr. Morgan gave us some thought-provoking ideas to mull over. The doctors are in the position of being caught between the commandment, "Thous shalt not kill," and the reciprocal, "Thou shalt do everything possible to maintain life"! Dr. Dale says the decision whether to continue to keep a body alive involved the patient - if capable of decision making - the family, clergyman friend, and doctor. It's a difficult and often heart rendering decision to make. But, he pointed out that the necessity for such decisions is more common than one might think. How about the problem of deciding who shall be given new drugs when the supply is very limited and the times of disaster when the medical staff cannot possibly treat all those who need attention? Obviously, it isn't a new problem, although the subject has been given increased attention recently. Dr. Morgan did an excellent job exposing us to a fact of life--and death--that each of us either face or will have to.

## LOOMIS HONORED

In case you missed the announcement in the Gazette--Downtown KIWANIAN Charles Loomis, Jr. was recently elected president of the Executives Club.

## OPEN HOUSES

Kirkwood College--Sunday, May 6, 1 to 4 P.M. Collins Radio Company---Sunday, May 6, 1 to 4 P.M.

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

May 11, 1973

Vern Perry, Editor

THIS WEEK---Wednesday Evening, May 16, 6:30 P.M.

Roosevelt Hotel---Interservice Club Banquet to honor outstanding high school students. President Bill Jameson asks that you attend if you can. The Downtown KIWANIS are the hosts this year. This is a once-a-year affair to show the outstanding students that we appreciate their effort---that we "relate" to them, as well as the athletes! Dr. Samuel Stumpf, President of Cornell College will be the speaker. Call Joe Stenner or Steve Root for tickets.

Now for those of you who just can't make it to the banquet Wednesday evening---there will be a "round table" for you at the Roosevelt on Wednesday noon.

## TWO RETURNEES

Applications for membership from Scott McIntyre and Thomas Hanson were voted upon and approved by the board last Wednesday. Orie Lawrence should be given credit for bringing these two fallin'-away KIWANIS back to the fold. (Orie is liable to qualify for some award not yet designed. You will recall he was also instrumental in signing up Tom Heabel.) Nice to have you with us Scott and Tom. You couldn't have joined a finer group!

## DUCK SURGERY

Dick the Duck underwent surgery last week. The result was sixteen bucks for the kitty---and a much relieved duck!

## POA

A Plan of Action questionnaire was distributed last Wednesday noon. Arnold Herbst came up with a series of questions designed to uncover the real attitudes and philosophies of the members toward the club and its programs. The results of the survey will be compiled and used as a guide to plan the future.

## PICNIC---Wednesday, June 13, 6:30 P.M., Mohawk Park

A Picnic is planned for Mid-June. Mohawk Park is located near the Water Works, the east side of the Cedar River. The KIWANIS Ladies and the Club are cooperating to arrange this annual outing. More details later.

## THE BEST HALF

The League Bowling Banquet was held this past week. The Downtown KIWANIS team was awarded a trophy. A trophy in recognition of their efforts, appropriately designed to indicate their success this season. Russ Mueller says the goal for next season will be to win the other half of the horse! And if it hadn't been so laugh-provoking, it would have been sad. I mean Bob Butterfield's appearance to report on the final activities of this year's team. Bob, that poem is a masterpiece. We sincerely appreciate your efforts. (We don't think even you can come up with such a piece without expending considerable time and effort. Glad we had a team in the league. A highlight of many of our recent meetings has been Bowlin' Bob's report. Looking forward to fall and more of Bob's reports from the alleys!

## LAST WEEK

Ron Gonder of WMT told us like he sees it. He believes Coach Lauterbur has what it takes to make it go at Iowa. Although, that isn't to say that he feels Lauterbur will bring forth a Big 10 champion. Ron wonders how it can be done again at Iowa. The competition for the talented, heavy weight, tall players is terrific. There aren't enough to go around. Iowa, being one of the more sparsely populated states (Thank God!), has a much smaller number of home-grown potential players to choose from. (Come to think of it, there were a few out-of-state players on Evy's teams!) Ron is predicting a 5-5-1 record for Iowa's football team this coming season. Ron touched lightly on the basketball prospects and wasn't optimistic. He said that he felt the team had the players last year, but somehow---for some unknown reason---couldn't put it all together. Nice having Ron again, even if he didn't paint a very optimistic picture. Ron has been sportscasting for some 15 years. His background is appropriately journalism with an MA from Northwestern.

## VISITORS

Greg Orscheln, 1st Mid-America, guest of Dick Landis.

Bill Hall, President of KIWANIS--Central City, guest of Howard Smith.

## ANNIVERSARY

Frank Wilbur--May 7, 1934. 39 years! Frank, you must be another one of those who joined when in knee pants! Congratulations, and may you add many more years to your enviable record.

## BIRTHDAY

C.R. Fahrney did it again. Had another birthday--and fed that miserable Duck. May you have many more "C.R.", and not just so we can pass the duck!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

May 18, 1973  
Vern Perry, Editor

## THIS WEEK-----May 23, 1973

Roosevelt Hotel---The KIWANIS' Industrial Arts Awards Luncheon. Outstanding students and their teachers will be guests of the Downtown KIWANIS. An unusual opportunity to view the handiwork of and get acquainted with some fine young craftsmen and the teachers who provide guidance.

(As I commented in the Bulletin after last year's equivalent affair-- --Hope that we can somehow scrape up a few bucks to pay for the meals for the teachers, as well as the students!) Wonder if that outstanding young craftsman, Jeffrey Kurka from Jefferson High School, who last year (in addition to receiving a KIWANIS' award) won a four-year tuition scholarship to the University of Northern Iowa is pursuing his goal----"Study wood technology and eventually combine the teaching of industrial arts with coaching".

## NEXT WEEK

May 30, 1973-----Essay Contest Awards Luncheon and the presentation of the Legion of Honor Awards to the Downtown KIWANIANs who were unable to attend the April 25th presentation.

## LAST WEEK

Thanks to the efforts and careful planning of Joe Stenner and Steve Root, the Service Club Scholarship Awards Dinner came off without a hitch. The Downtown KIWANIS' was the host club this year. Joe and Steve, you made us look good-----and we appreciate it! The affair was well attended with the second floor of the Roosevelt Hotel filled with honored guests, their parents, their teachers and a good smattering of service club members. Dr. Stumpf, President of Cornell College was the speaker.

## DROPPED BALL

Just to find out how this "round table" and "sign-in" works, I went down to the Roosevelt around noon on Wednesday. I found the sign-in sheet but no round table. Some of the DTK's had found seats in the first floor dining room, but there was very little togetherness! I'll never again promise you a "round table"!

## NO VISITORS

Roy Stoddard is still in St. Luke's Hospital. He has had major surgery and cannot have visitors. However, cards or a note will be appreciated.

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

THIS WEEK-----June 6, 1973

June 1, 1973  
Vern Perry, Editor

Roosevelt Hotel----Former Downtown KIWANIAN Bob Birr bringing us up-to-date on automobile safety. Bob will show us a film and hopefully fill us in on some of his experiences as he covers the territory in his position as Director of Auto Safety Education, AAA Motor Club of Iowa.

BOARD MEETING-----Tuesday Noon, June 5, Roosevelt Hotel.

## AWARDS

Hugh DeWees, Clyde Sanborn, Howard Smith and Frank Wilbur were on hand last Wednesday to receive their Legion of Honor Awards. Action will be taken to see that Vic Bock, Fred Kluss and Joe Stenner receive their certificates.

## GOLF

Sandy Bachelor is still looking for a few more golfers to enter the KIWANIS Tournament in Waterloo next Monday, June 4. Give Sandy a call if you can make it.

## LAST WEEK

"Sharing and Building Lives of Youth on the Past or Present?", that was the theme of this year's Downtown KIWANIS Essay Contest. Six personable young people from local high schools had lunch with us last Wednesday noon. And what's with this emphasis on woman's lib? Five of the six winners this year were women. But then, remember the previous week? All of our industrial arts contest winners were young men! So-----what does that prove?

M.C. Howard Vander Schaaf described the process whereby the six winners had been selected and gave credit to the Downtown KIWANIANS who had given of their time and energy to help promote the contest and select the finalists. Each of the winners: Sherry Fuller from Jefferson High School; Sue Fowler from Kennedy; Connie Larson from Linn Mar; Sherry Novak from Prairie; Janey Schultz from Regis; and Joe Erseg from Washington, read his essay. Each received a trophy and a \$25 Savings Bond. The Grand Prize winner was selected by journalists from local radio stations. Their decision was given to Howard in a sealed envelope which when opened revealed that Janey Schultz' essay had been selected as the best. Miss Schultz' reward was an impressive trophy and a \$50 Bond; the trophy is to be displayed at her high school. Obviously, each of the winners had given the "Sharing and Building of Lives....." a lot of thought. I'm convinced today's young people have "their heads screwed on straight," as we used to say when I was a kid! There was a lot of depth and substance in the essays those young people read to us last Wednesday.

## VISITORS

Jim Noble, guest of Rick Chandler.  
Former KIWANIAN Larry May, guest of Orle Lawrence.

## ANNIVERSARIES

Frank Cosgrove-----June 2, 1948.

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

June 8, 1973  
Vern Perry, Editor

THIS WEEK----June 13, 1973

Mohawk Park Pavilion----6:00 P.M., KIWANIS and their gals will get together for the Annual Picnic. Meat and coffee will be furnished. Bring table service for yourselves and a "covered dish"---hot dish, salad, dessert, or whatever. Mohawk Park is located north of the Water Works, on the east side of the Cedar River across from Ellis Park. Take crushed rock Shaver Road as it follows the railroad tracks north until you come to Mohawk Park. Our picnic will be in the pavilion which has four-foot sidewalls, two fireplaces, two stoves, a sink, and "inside facilities". Picnic rain or shine!

Because it is necessary to order the meat---Monday is the deadline for reservations. The KIWANIS Ladies plan to call the members---however, if you don't hear from them, give Mrs. Roy Parker, or Catherine Perry, a call and advise her that you are going to be there.

## SCHOLARSHIP BANQUET

675 students, parents, teachers and service club members attended the recent All-Service Club Scholarship Awards Banquet at the Roosevelt Hotel.

## CAN'T KEEP 'EM DOWN

Bob Rush reported last Wednesday that Oscar Anderson's condition is improving and he is in good spirits. And Bob says that he talked with Mrs. Stoddard and Roy is now home and on the way back. The best news we have had for some time, Oscar and Roy!

## BOARD PROD

When I attended the meeting last week----I got a jab concerning my lack of club activity coverage in this yellow sheet. Jim Downing reported being in a difficult position when one of our student guests asked "just what does KIWANIS do?" And Jim is much better prepared than most of us to answer that question----what with his activities related to arranging for dental and eye care for needy youngster. Sooo----Committee Chairman, how about it? How about taking a few minutes to put a few facts on a sheet of paper and mailing it to me? It isn't that I don't want to give you coverage, but somehow I run out of time to hold down a job, cover the beat, locate you, and ask the right questions!

## LAST WEEK

Our friend and former fellow Downtown KIWANIAN Bob Birr discussed the problem which results from the mixing of automobiles and alcohol, and what Iowa is doing to try to reduce the number of accidents which result from that explosive mixture. The program is one which forces the person who has been arrested for driving while "under the influence"----, has been convicted and has had his license revoked to attend a four-week course which is designed to show him the error of his ways and potential danger to himself and others. There were 2633 such cases last year and 1001 during the first three months of this year! We have a problem.

The course, which was implemented the first of March, 1973, is taught by the community colleges. Staff members of agencies concerned with the counseling and treatment of problem drinkers sit-in to try to identify individuals they feel they can help. When a driver has been arrested and tests show he is under the influence of liquor, he is convicted, his driver's license is revoked. He is then assigned to a "class", given a limited driving permit to allow him to drive to his place of employment and, in effect, is ordered to attend the course. When he has satisfactorily completed the course, he is given an opportunity to take the standard driver's test again and start over with a new driver's license. Of course there are a lot of side effects. The "student" has to arrange for special (high priced) insurance following conviction. Must pay 20 bucks to take the course. Pay a fine of several hundred dollars. The way Bob Birr had it figured----the person so involved could wind up stuck with a bill of \$1,340 over and above what he would have paid if he hadn't gotten into the mess. Pretty high priced cocktail! But, hopefully such treatment will convince the majority of the offenders that drinkin' and drivin' shouldn't be mixed.

## SHOES NOT BOOZE

But one shouldn't jump to conclusions----According to an AP story in the Gazette, June 6, 1973, Arthur Perry (no relative) admitted to a judge in Memphis that he was "kind of weaving" when he walked down the street. But he said it was his new high heeled shoes and the rocks in the road! The judge dismissed the case.

Iowa

a place to grow

June 29, 1973

Vern Perry, Editor

THIS WEEK----July 4, 1973-----NO MEETING!

But President Bill has agreed that there will be a "round table" at the Roosevelt on Thursday noon. Bill, don't let me down. The last five times I have announced a "round table", it didn't come off!

BOARD MEETING----Tuesday, July 3, Noon, Roosevelt Hotel.

## AFLOAT

July 11----Hugh DeWees will take us down the river via slides and commentary.

## LAST WEEK

"Every age has its frustrations. Accept age gracefully. Finish the course with dignity and self respect. Face the end without fear." The preceding are quotes from our speaker of last Wednesday, Meta Schwiebert, Executive Director of the Linn County Council for the Aging. She obviously realizes that it is easy to make such statements but somewhat more difficult to sincerely maintain such an attitude and philosophy in a society which is currently applying pressure to reduce the age at which one becomes "old". Sixty-five is no longer the magic age of retirement. With recent advances in medicine and health care, one-third of the average person's life still remains when business or industry turns him out to pasture.

Personable Meta Schwiebert feels that volunteers are the key to the success of Linn County's program aimed at helping people prepare for retirement; help coordinate the activities of the many local agencies which are currently involved working with the elderly; bring a sensitivity, understanding and love that can't be hired; give counseling and a contact with the world outside the immediate family and many other services which only the compassionate can provide.

Some 480 volunteers provided 18,568 hours of their time to serve 883 elderly last year thru the Linn County Council for the Aging. Services provided ran the gamut from a daily telephone call to provide that outside contact, to providing transportation, to painting houses, washing windows and mowing lawns. The volunteers themselves range in age from young people anxious to try to do their bit to right this topsy turvy world, to currently active business and professional men and women, to the active elderly who provide companionship and all types of personal help to those who need aid.

Meta Schwiebert, herself white haired and once retired from a long life of social service, just seems to be the right person to guide such a program. Those who know her personally agree. Arnold Herbst commented to me after the program last week that he feels we are most fortunate in having Ms. Schwiebert decide to return to Iowa, and particularly locate in Cedar Rapids, to help us provide the services so badly needed.

Phil Klinger, we appreciate your arranging for Meta Schwiebert to speak to us. But I'm not satisfied. Apparently she wouldn't let Phil tell us much about her background, such as her experiences with the less fortunate in such places as Chicago---and she didn't provide any information about herself as she spoke on her favorite subject! When will she be back? Incidentally, she feels it is important that the majority of those involved in aiding the elderly have a few white hairs themselves! She wasn't too impressed by the young professors from Drake who recently spoke at the seminar in CR!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

July 6, 1973  
Vern Perry, Editor

THIS WEEK----July 11, 1973

Roosevelt Hotel---Downtown KIWANIAN Hugh DeWees describing some of his escapades on the Mississippi River and its tributaries. Hugh and his wife have explored many of our inland waterways in their boat. Seems quite appropriate that Hugh should appear at this time---what with "Tom Sawyer" running at one of the local theatres!

## NEBRASKA-IOWA DISTRICT CONVENTION

The Nebraska-Iowa District Convention will be held in West Des Moines August 10 thru August 12---Friday evening thru Sunday. Convention headquarters will be The Webster Inn, Interstate 235 and 35th St. West Des Moines, with convention sessions held in Valley High School on the opposite side of Interstate 235.

## BOARD'S BOILIN'

With enthusiasm! You know---some of the Downtown KIWANIS' board meetings are almost as interesting as the Wednesday noon luncheons? If you haven't attended a board meeting recently, suggest you drop in at noon, The Roosevelt, the first Tuesday of some month. We don't have to be an officer, board member or committee chairman. Every member is invited to sit in---and invited to contribute his two-bits worth. Won't say that all is honey and harmony every meeting, but that's what the meeting is for---take action on club matters and kick around new ideas. And such enthusiasm! Like when Dick Landis expounded on the up-coming Pancake Day! (And Dick trying to take off a few pounds, too!)

If you have read this far---you deserve a few morsels of information concerning what's afoot. The KIWANIS Clubs of Cedar Rapids and Marion are planning a "Pancake Day" for this fall. Ed Colton provided the initial spark to get the plan moving. As President-elect of the Downtown KIWANIS, Dick Landis has relieved Lt. Governor Ed and is proceeding to get the project underway. Ed, President Bill, Dick and Charlie McIntyre, and possibly others, have already done a lot of spade work. You will be hearing more of this project. You're involved, you know!

Same meeting---The Board approved a contribution of \$100 to the Salvation Army to help send needy children to the Army's summer camp; agreed to contribute \$125 to help the Kawkeye Council of the Boy Scouts of America purchase Cubmaster Training Kits. (Incidentally, did you know that Mrs. Ralph Drescher was the first Boy Scout Cub Den Mother, not just in CR, but in the whole worldwide BSA organization? She was given recognition in the Scout magazine several years ago. Ask Ralph about it some time.)

President Jameson has appointed Gene Young to head a recently formed "Projects" Committee. Bob Demeulenaere and Tom Heable have agreed to give Gene a hand. Gene, Bob and Tom will provide ideas for Board review and implementation. But Roy Parker has done such a fine job in recent months with his Share Your Life Committee, that there appears little possibility that he will get off the hook! The combined efforts of the two committees will assure that the Downtown KIWANIS' "Share Your Life" program will continue and will expand. There was more last Tuesday, but I'm getting tired of tapping the keys of this mill---and I know you are tired of reading. But do join us for lunch and a board meeting soon.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

July 13, 1973

Vern Perry Editor

THIS WEEK-----July 18, 1973

Roosevelt Hotel-----A representative of the Northwestern Bell Telephone System will discuss and advise how to handle "crank" telephone calls. Who are these callers? When is it time to call the NWB office and who does one ask for? Should one try to involve them in a conversation so the call can be traced? And what's your problem? Bring it with you and ask Ms. NWB.

## PROJECTS ROLLIN'

Gene Young's Projects Committee is moving. they had a 11:30 meeting before lunch at the Roosevelt last Wednesday and plan another for this week. The committee consists of some six Downtown KIWANIANS, all interested in being more than passive observers!

## LAST WEEK

"A hole in the water surrounded by wood or some other structural material into which one pours money." That's Hugh DeWees' definition of a boat such as the "Hawkeye Haven", the DeWees' river craft. Hugh says the "Hawkeye Haven" has some 1,000 hours on its engines - two 225 h.p. Mercurys, with at least that many more hours off traveling utilizing the natural energy of mid-America's navigable streams.

Hugh DeWees and 1st Mate Helen ordered the "Hawkeye Haven" in 1968 from a builder in Georgia. Delivery was taken in 1969.

I gather from Hugh's commentary and the excellent slides which illustrated the "travelogue" last Wednesday, that the DeWees family has had nothing but pleasure, adventure-----and expense since 1969. Hugh and Helen, the travel and adventure portions make us landlubbers green with envy. Also, seeing your pictures makes one further realize how much this great country has to offer the restless traveler. For instance, how many of you have explored the primitive Tennessee River Valley, traveling some 470 miles while dropping 380 feet thru 7 locks; have run out of gas on the Arkansas River and been saved from drifting into possible disaster by being lashed to the side of a barge of soy beans; realize that there are no locks on the muddy Mississippi below St Louis; that the most scenic portion of the Mississippi Valley is north of St. Louis; that the largest and mowest lock on the 'ol muddy is at Keokuck; that one can have some heart-stopping experiences trying to keep from getting caught in the undertow and whirlpools when in the vicinity of the mammoth freight barges; and can return to the serenity of the home slip in Dubuque harbor and by minutes miss getting pulverized in a midwest tornado? Hugh and his 1st Mate did. Good show, Hugh and Helen!

## GUEST

Ray Moore guest of son Ron Moore.

## ANNIVERSARY

Oscar Anderson-----July 1, 1927. 46 years! An outstanding record. Hope your health improves to the point where we will soon have you with us around the table at the Wednesday noon luncheons, Oscar.

PANCAKE DAY\*\*\*\*\*NOVEMBER 3, 1973

THIS WEEK-----August 1, 1973

Roosevelt Hotel---Just go back and read "THIS WEEK" in last week's Bulletin! That's what the program is for this week---Frank Nye of the CR Gazette will be on deck August 1 to give us his views of what went on over in Des Moines during the most recent session of the Legislature. (Frank couldn't make it last week because of a conflict of schedules.)

DISTRICT CONVENTION----Des Moines, August 10/11/12

Ed Colton, Dick Landis and Duane Anton will attend as delegates. Alternates are Russ Mueller and Charles McIntyre.

REPORTS DUE-----Secretary Joe Power say's it's that time again. Understand Jim Downing and Roy Parker turned their's in last Wednesday. Joe wishes others would follow their good example!

LAST WEEK

Can't quite forgive Russ Mueller for changing programs on me. Had a "LAST WEEK" all written up to cover Frank Nye's presentation----I arrive at the Roosevelt Wednesday noon and Dick Landis gives me the word! Frank couldn't appear July 25. (But do appreciate your rescheduling Frank Nye for August 1, Russ. I'll still be able to use that piece! Understand there are those among the membership who suspect I have a drawer of clippings and ghost-written paragraphs and just pull out one to fit the occasion. That's where those of you who don't attend meetings are at a disadvantage. You only get my version!

But seriously---Duane Anton lined up an excellent program to fill in. George Hamilton, Director of the Linn County Conservation Commission took us on a slide tour of the county parks. As an old park tramper, I can vouch for the authenticity of Mr. Hamilton's statement that Linn County has some of the finest parks in the state. Have often thought---wouldn't it be nice if familiarity and knowledge of our own city, county, state and nation rated with "travel abroad" as a status symbol? I know, sour grapes!

IOWA OUTDOORS

Per George Hamilton-----93 of Iowa's 99 counties have County Conservation Commissions; the Legislature passed the bill creating this system in 1955; Linn County's commission was organized in 1959 and began operation in 1960; Linn County has 5,000 acres of park land with nearly a million visitors per year. Financing capital expenditures, operation and maintenance comes from property taxes, user's fees (camping and picnic facilities) and Federal funds. (The latter unpredictable in both amount and timing.) Approximately one half of the 5,000 acres is open to hunting; much of the park land is along streams and is flood plain land; camping clubs are a bit of a headache to the conservation officers, as the number of vehicles per family is beyond imagination-----several cars, a trailer or motor home, a boat and possibly several two-wheeled vehicles per family! (There are 30 "recreation vehicles" licensed for every available camping stall in the U.S.!)

But, George Hamilton says they do their best to cope. However, he admits he does have one real problem. The "wild" Mallard ducks the Commission raises for release in the parks are so tame and dumb that they sometimes gather on the roads and hold up traffic! Wonder why a duck crosses the road?

VISITORS

John Randall, Jr., guest of Ron Moore.

ANNIVERSARIES

Roy Stoddard-----July 22, 1942.

Gene Young-----July 24, 1972.

THIS WEEK---August 8, 1973

Roosevelt Hotel-----"SAY GOODBYE," somewhat a controversial film produced some three years ago by the Wolper Organization to bring attention of the public to the threat which wild game hunters pose to endangered wildlife and the associated delicate balance of the environment.

The National Rifle Association has, according to Washington columnist Jack Anderson, "...wheeled out its big guns..." to stop the showing of the film. The NRA has had only limited success, but Russ Mueller advises their campaign has made it difficult to obtain the film. The film was recently shown to the Rotary Club. Russ has taken advantage of it being in CR to arrange a showing for us. It runs some 45 minutes. Sounds like this program should bring out both the hunters and the environment protectionists! See you at the Roosevelt next Wednesday noon. (I'm a convert to the protectionist ranks. Many years since I pulled a trigger. How about you?)

BOARD MEETING---Tuesday noon, August 7, Roosevelt Hotel.

REPORTS DUE---Committee reports due to Joe Power no later than the Board Meeting Tuesday, August 5.

PANCAKE DAY---November 3, 1973. Details will follow.

## LAST WEEK

Shenandoah's most famous export, Tennis Champion Frank Nye, told us about the recently ended "frustrating but productive" session of the Iowa Legislature.

Did you know that the "Nye Poll" gets 100% return from its questionnaires distributed to the legislatures? That the return from Frank's most recent survey indicates the average age of the legislators in the last session was 45.2 years---the youngest legislature in Frank's long career (30 years) of covering the Des Moines sessions? That there were eight legislators between 21 and 25 years of age and only five between 66 and 75? And that those young people---like your kids and mine---don't feel that the fact that just because "it has always been done that way" is a good enough reason for continuing? That in quantity, the "four"-runners were 34 Methodists, 28 Catholics, 23 Presbyterians and 21 Lutherans? And that the reason Frank Nye gets 100% return on his survey is that if the questionnaire doesn't come back --- he runs down the laggard and interviews him? That the KIWANIS Pancake Day will be held on November 3?

Frank Nye said it appeared to be much more difficult to muster enough votes to get a bill passed than is normally the case. He thinks this may be because 60 of the members were new to the legislative body. The normal number of "freshman" legislators is more like 30 to 40. Even Frank, who has been close to the whole business for so many years, finds the size of the current budget shocking---\$1.7 billion! That compares to \$416 million ten years ago. But he says it takes careful analysis to really determine the actual increase---shifting of taxes, etc., a complex explanation Frank gave, but I'll admit it left me reeling. But I did get one point. Those fellows and gals in Des Moines have obviously been following the Watergate affair. Every campaign contribution made in Iowa, down to and including those made to candidates for city offices, must be reported!

The "Truck Length", "Organization of a Department of Transportation" and "No-Fault Insurance" are among the bills on which action was delayed but are on the agenda for next session. Frank Nye says the longer he thinks about it, the more he realizes that the last session of the Legislature really did accomplish a lot--- it wasn't all frustration!

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

August 10, 1973  
Vern Perry, Editor

THIS WEEK-----August 15, 1973

Roosevelt Hotel-----"A Dollar Was A Dollar Was A Dollar" discussed by Dr. John Chapman, Jr., Professor of Economics, Coe College. Dr. Chapman has been in Cedar Rapids since 1967 when he came to Coe College as Associate Professor of Economics and Assistant to the Dean.

Dr. Chapman has obviously established himself as an authority in his field with recognition by being listed in the latest editions of the American Men of Science, Outstanding Educators of America and Who's Who in the Midwest. And as if that isn't enough----Dr. Chapman in 1970 was selected by students at Coe as the "Outstanding Professor!"

But in case the above brief summary of Dr. Chapman's background and honors has left you a bit shaken----during 1957-1958 he was a Claims Adjuster for State Farm Insurance, Denver and 1959-1960 a fleet salesman for Texaco, Inc. He is not all "ivory tower". Bob Armstrong will introduce Dr. Chapman.

COMIN' UP

August 22 - Bruce Sampsell, Manager of Quaker Oats.

August 29 - Steve Root discussing the Salvation Army program.

PANCAKE DAY-----November 3, 1973. Will try to round up some details. Possibly it was discussed last Wednesday. Unfortunately, I came in late and had to leave early!

YOU WOULDN'T BELIEVE some of the things one hears over lunch at the Roosevelt on Wednesday! Of course, I normally treat it all as "off the record"! But----did you know that Jim Luhrs----in his youth----was ranked with Gene Fulmer as an amateur boxer, and was once scheduled to climb into the ring with Fulmer? Luckily, Jim's guardian angel saved him from getting his clock cleaned. Ask him about it. Glad to have you with us Jim!

LAST WEEK

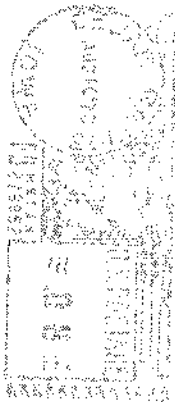

The movie "Say Goodbye" was a bit bloody but it wasn't boring! "Our Washington correspondent" Jack Anderson noted when reporting the Smithsonian Institution showing of the film, that some of the scenes were "staged", and no secret was made of that fact. "Say Goodbye" was nominated for an Oscar in 1970. I thought the photography was excellent and the close-ups of the blood and gore didn't bother me nearly as much as some First Aid/Medical films have where the victim on camera---I mean the patient----was a human being. Considering what we do to humans in this civilized game called "War".....! And I didn't feel the real hunter and sportsman was shown in such an unfavorable light----in spite of NRA's concern.

(Incidentally, a friend of mine thought I took some unnecessary and unfounded jabs at the National Rifle Association in last week's Bulletin. Sorry about that, Bill Jameson. I was just trying to ruffle a few feathers, or fur, and increase the attendance!)

## THIS WEEK-----August 22, 1973

Roosevelt Hotel----Bruce Sampsell, Plant Manager Quaker Oats Company, Cedar Rapids discussing how the company's largest plant functions, its products, etc. and how it fits into the overall Quaker Oats Company picture, which products are produced where----and he may even tell us where we can buy that scarce product, Quaker Natural Breakfast!

Mr. Sampsell came to Cedar Rapids in January 1972. He is a native of the Chicago area; is married; graduated from Yale University and holds a Masters Degree in Industrial Management from Harvard.

## UP WITH PEOPLE

During lunch last Wednesday, a 17-minute film was run to promote the appearance of a youthful song-and-dance group known as "UP WITH PEOPLE" at Kennedy High School.

To quote from the "UP WITH PEOPLE" information sheet -- "Up With People is an independent, non-profit, educational corporation, designed to combine the best of academics through mobile education and world travel with relevant social involvement....Three hundred young men and women, 17 to 25 years old, currently travel in three international casts....casts are on the road ten months a year performing in approximately 130 American cities annually....Visited 28 countries on five continents....A mobil liberal arts program for freshman in conjunction with The University of Arizona." (Incidentally, Kennedy HS's own "Happiness" troupe did a similar delightful thing last spring---some twenty young people singing and dancing with the energy and zest which, unfortunately, marks the difference between youth and age! Recommend you go and see and hear them if you have the opportunity.)

## LAST WEEK--Dr. John Chapman, Coe College

Our speaker last week, Dr. Chapman, Associate Professor of Economics at Coe College, left me with the feeling that he is right of center; and that he is basically optimistic that the good old USA will survive Watergate, inflation, devaluation of the dollar and five bush wheat. But, he does feel that it will be a long time before the dollar regains the prestige it has lost abroad. Prof. Chapman believes the President's "over-night decision" and action to devalue the \$ made most world banks wish they had their funds in Yen or Marks, rather than \$'s. And a point which I had never heard mentioned before---the President's decision was made after reviewing a report which turned out to include a major "clerical" error! As far as John Chapman knows, the source of the error has never been pinpointed. No doubt it is another of those things which is blamed on "the computer".

Dr. Chapman said----as long as we have the money to create shortages of commodities or products by listening to rumors and then do "scare buying," we will have inflation; such as buying up all of the home freezers available to store all that beef we don't need but bought because we heard there was going to be a shortage; many of our problems are not really economics, but are behavioral, a matter of attitude; as the kids would say, "things really aren't all that bad"----our balance of trade has improved dramatically and there is every indication the trend will continue; and the balance of payments really wouldn't be considered serious except that our government keeps pulling things (devaluation, price freeze, etc.) which cause the Foreign Central Banks to look at the \$ with suspicion and question its stability. A most interesting analysis of financial thinking which affects everyone of us---whether we travel abroad and find a "coke" costs \$1.75 in Austria or get our supply at the local supermarket -- by one who has the experience and the expertise to put the economists' thinking into understandable language---Dr. John Chapman.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

August 24, 1973  
Vern Perry, Editor

THIS WEEK----August 29, 1973

Roosevelt Hotel--Downtown KIWANIAN Steve Root discussing the Salvation Army's building plans and the Army's program which serve our community.

## HELP

Charlie McIntyre would like to hear from one of you. One of you who can see his way clear to be the Club's "PANCAKE CHAIRMAN". (The sub-chairman will do all of the work!) KIWANIS' Pancake Day is Saturday, November 3. The four Cedar Rapids clubs are cooperating to put on the affair. Marion KIWANIS have decided to go it alone at a later date. The Club's Pancake Chairman will coordinate the Downtown KIWANIS activities with those of the other CR Clubs. Charlie's home phone is 362-9987 and office phone 362-3121. Please give him a call.

## ACTION COMMITTEE

Frank Wilbur and I found ourselves where the action was last Wednesday noon! We inadvertently sat down at the table occupied by the Special Projects Committee. And a committee meeting was in session! Jim Oetken, Tom Heabel, Bob DeMeulenaere, Waldean Rapp and Roy Parker were deeply involved in discussions of the Picnic/Tree Planting project; getting Downtown KIWANIANS involved in the Bicycle Safety Program and the possibility of the Club's sponsoring a Big Brother program in Cedar Rapids. (Frank and I soon found they weren't interested in what we thought of the rain the previous night, the cost of hamburger, etc. So, we just sat and listened to the interesting things the Special Projects Committee has in the discussion and/or planning stage.)

The Picnic/Tree-Planting-in-the-Park is the outgrowth of a suggestion that the Club paint the fire engines! That's what Jim Oetken said!

The Committee feels that there must be some way the Club can help with the Bicycle Safety Program and are currently exploring this possibility. (After seeing the bicycle racers in Bever Park last Sunday, I'm not nearly as concerned about the riders as I am about the pedestrians who might cross their paths!)

## BIG BROTHER

Did you realize that there are 1,178 fatherless boys in Linn County? And that 908 of them are in Cedar Rapids? And that Blackhawk County has less than one-fourth as many as Linn County? Sort of shakes you up, doesn't it? The statistics came from the information which President Jameson, Special Projects Committee Chairman Gene Young and the committee have gathered since Big Brother (one boy/one man) was suggested as a real "service" project the Downtown KIWANIS should consider. Jim Oetken has had some personal contact with the administrators of the going Big Brother program in Waterloo. I gathered form eavesdropping last Wednesday that the next step probably will be to invite one or more of those involved in the Waterloo program to come to C.R. some Wednesday noon and tell us about it.

## LAST WEEK

It all started in 1873 when John Stuart and his son Robert moved from Canada to Cedar Rapids and built North Star Oatmeal Mills. After a series of changes in organization, company name and management, The Quaker Oats Company was incorporated in 1901. Plant Manager Bruce Sampsell didn't dwell on the history of the organization but gave us a very interesting half-four outline of Quaker Oats operations, products and philosophies.

It started with oatmeal, of course, but currently less than 15% of the Quaker Oats Company's products are "hot cereal." Kids and the Quaker Marketing organization--probably in reverse order--have had a revolutionary effect upon the products which make up the current line. Ready-to-eat cereals have taken over.

Were you aware that Quaker Oats sales last year were \$771 million; that the Cedar Rapids plant is still "the largest cereal in the world"; that Quaker currently employs 1,400; that the company has 30 manufacturing plants in the U.S. plus a number abroad; and that, besides the grocery products, Quaker Oats is involved in the manufacture and sales of chemicals, toys, yarn and needlepoint - to name a few - in addition to owning a chain of restaurants known as "Magic Pan" which had its beginning in San Francisco? Neither was I until last Wednesday!

## VISITORS

Virg Brownfield, from Florida and former Downtown KIWANIAN guest of Orle Lawrence. John English from Longview, Texas guest of Frank Race. Bob Birr--soon to be of Des Moines, longtime Downtown Kiwanian and Club Secretary, guest of the President Jameson and the Club. (Bob will move his family to Des Moines around the first of September and cover western Iowa for AAA.)

## ANNIVERSARIES

Orle Lawrence ---- August 19, 1931! A fine record, Orle.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

August 31, 1973  
Vern Perry, Editor

## THIS WEEK---September 4, 1973

Roosevelt Hotel--"What a Regional Zoo Will Do for Cedar Rapids and the Surrounding Area", by Beverly Rongren, Information Director for the Hawkeye Zoological Society. Mrs. Rongren was formerly educational co-ordinator for the San Francisco Zoological Gardens. She is currently writing monthly articles for zoological publications, speaking before organizations such as the KIWANIS and appearing on television and radio to promote and inform.

## BOARD MEETING---Tuesday, September 3, Roosevelt Hotel.

Always an interesting and informative affair. Why don't you join us on Tuesday? And as you probably are aware, some of the Wednesday noon meetings, attending a board meeting will offset one of those "misses" on your attendance record.

## SEPTEMBER 11 PROGRAM

Understand Jim Oetken has succeeded in lining up a representative of the Waterloo "Big Brother" organization to come down and tell us about it Wednesday noon, September 11, more about that next Bulletin.

## LAST WEEK

I won't try to make you believe that I heard Steve Root's slide-illustrated discussion of the Salvation Army Program, last Wednesday noon (I was in Des Moines on business)--but I have discussed the subject at length with Steve and I will try to summarize what he told me. Steve is a member of the Board of the Salvation Army and has made many appearances during recent months to help the drive for funds for the building program. (Incidentally, I understand another fellow KIWANIAN, C.R. Fahrney, has served on the Army Board for some unbelievable length of time, such as 20 or 30 years!)

Steve is enthusiastic about the Salvation Army's plan to build a new facility in Cedar Rapids. The new building will be located at 10th Street and C Ave. N.W., the former site of "old" Fillmore School. The school building has been removed.

While they have on hand---or committed---some three-fourths of the \$408,000 required to build the new facility, there is still a very real need for additional contributions. The official drive ends Saturday, September 1, but everyone is encouraged to contact the office on third street S.E. for information on the plans---and help the board round up the remaining money required.

I learned a lot more about the Salvation Army from Steve that amazed me, and I hope you find interesting, but it is too much to write---and read---in narrative form---so here goes: The new Salvation Army building will have two floors, to include a combination gym/auditorium, chapel, youth meeting rooms, club meeting rooms, interview/conference rooms, etc; it will be a combination Army Corps Center and Social Welfare Center; the emphasis will be on youth programs and they hope they will be able to add a youth worker to the staff (Steve Root says the community needs some additional help with its youth problems, which apparently are worse than most of us realize); the program of aid for the elderly will be continued and expanded where possible; the present Center at 1123 3rd St. is condemned, does not meet fire code regulations; remodeling of the 3rd St. building was considered but it was found that \$50,000 would be required---and even then it would not serve the needs of the Salvation Army; money left in a will to the Salvation Army by people of this community is put into a fund drawing interest for future use for capital expenditures in this community; Steve says the Salvation Army is its own worst enemy when it comes to public relations---the staff is so busy solving people problems that they don't have time to blow their horn; Steve says somehow Major Adney seems to be able to solve any kind of problem that comes up; Steve says the Major is always his "last resort" call whether its a \$ problem, someone in jail, a family problem, or whatever. Somehow the problem always gets solved! There's much more, but ask Steve Root, F.R. Fahrney or Gene Adney. Appears the Salvation Army deserves much more support and credit---than we, the citizens of the community, give it.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

September 7, 1973  
Vern Perry, Editor

THIS WEEK-----Wednesday, September 12, 1973

Roosevelt Hotel----Tom Ambrosan, Executive Director, Black Hawk County Big Brother organization. Jim Oetken advises that Ambrosan will describe in general the Big Brother organization and program and will discuss in detail the successful program currently active in the Waterloo area. Gene Young and his Special Projects Committee have been encouraged by the Downtown KIWANIS board to bring the members information on the program which is primarily concerned with the providing of a "Big Brother" to the fatherless boys of the area. If it is decided that the Downtown KIWANIS should proceed--provide the inertia to get a local Big Brother organization started in C.R./Linn County----the cooperation of the whole club will be required. But----the thinking is that once the Big Brother program is off-and-running, other local service clubs and similar organizations in the community, will step forward and provide support and the bulk of the manpower to implement and keep the program going.

PANCAKE DAY----November 3, 1973

Charlie McIntyre says the tickets are off the press and he is currently making distribution to the Advanced Ticket Sale Committee. Ken Hunter and members of the committee will be in touch with you. Price \$1.25.

## CONVENTION

President-Elect Dick Landis attended the 1973 District Convention in West Des Moines mid-August. He wasn't impressed, but plans to take a constructive approach and write a letter to the incoming governor making suggestions for improving the program and making it an educational, inspiring and worthwhile affair-----rather than a meeting of the old guard for three days of socializing.

## MEMBERSHIP SLIPPING

You are on the committee. Yes, you were just appointed to the Membership Committee! Chairman Jim Oetken says this isn't the responsibility of a few. And the club definitely needs your help. We are losing members faster than we are recruiting new ones. So, give it some thought. But don't just sit there thinkin'. Do something --- such as inviting a prospect to the next meeting?

## LET'S NOT DROP THE GUMBALL

As was pointed out at the last board meeting----the so-called "gumball machines" are still our best single source of revenue. You may expect to hear from a representative of the supplier of those little money-makers soon. The variety of goodies dispensed has been expanded----candy such as red hots, 3M's and peanuts and machines now which will dispense those large balls of bubble gum for a nickel! A representative of the vending machine company recently visited with Dick Landis and told him that we have a field ripe for expansion. Gad, mothers of young children must hate us!

Vern Perry, Editor

THIS WEEK---Wednesday, September 19, 1973

Roosevelt Hotel---Carl Oehl, Manager of the COLONY MARKET PLACE, South Amana discussing "The Amana's Heritage, Customs and Present Mode of Operation."

ANNUAL DINNER MEETING---Wednesday, October 3

Mark your calendar. Alert your wife and/or girl friend. Let's have a good turnout to let the outgoing officers know we appreciate the labor pains they have suffered and welcome in the new officers. Details later.

PANCAKE DAY---November 3.

LAST WEEK

Tom Ambrosen, Director of the Big Brothers of Black Hawk County, was introduced by Jim Oetken. Ambrosen has a masters degree in sociology and had several years of experience in social welfare work before becoming the first full-time director of the Waterloo area Big Brother program. (Incidentally, Tom Ambrosen is a fellow Downtown KIWANIAN - in Waterloo, that is.)

The Black Hawk Big Brother organization has some 100 big brothers and 110 designated little brothers at this time - with 52 requests from mothers of fatherless boys in the active file awaiting the screening and qualifying of additional big brothers. In each case, the mother of the boy must apply to the Big Brother office to have her son included in the Big Brother program. Then, the office staff and screening committee carefully reviews the boy's school record to determine if it appears likely that the big brother/little brother relationship will help the youngster develop. Next step is to match the youngster with a big brother. The "little brothers" in the Black Hawk Big Brother organization range from 7 to 14 years of age. The "big brothers" range from 18 to 64!

Tom Ambrosen's enthusiasm for the program is contagious. We will be hearing more of the Big Brother program as Gene Young and the Special Projects Committee take steps to get a Cedar Rapids/Linn County chapter of the organization underway. Obviously, there is a real need for the program with 1,178 fatherless boys in Linn County and, would you believe, some 908 of these in C.R.? Start thinking about your big brother qualifications. The committee will be looking to you for help.

DID YOU NOTICE-----The picture of Downtown KIWANIAN Howard Vander Schaaf and the winners of the Club's High School Essay Contest, in the September issue of the Nebraska-Iowa District Bulletin?

VISITORS

Ron Wendt, Associate in the office of John D. Randall, Attorney, guest of Bill Jameson. Jerry Carr, WMF Radio Advertising, guest of Jim Loyd. Don Anderson, Salvation Army building program campaign director, guest of Gene Adney. Bob Roberts, Manager of First Mid-America Inc., guest of Dick Landis.

ANNIVERSARIES

Roy Parker-----September 13, 1968.

Ken Hunter-----September 15, 1972.

RUSH REPORTS

Bob Rush reports that Roy Stoddard is much improved. In fact, the hospital reports Roy's condition as "good". (Bob points out that a "good" is about the best report one can ever get from hospital personnel. If the patient improves beyond "good", they send him home!) Very glad to hear that you are better, Roy. And glad to have Adolph Helm rejoin us for lunch last Wednesday after being held down for some weeks following a heart attack.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

**Iowa**  
a place to grow

September 21, 1973  
Vern Perry, Editor

## THIS WEEK----September 26, 1973

Roosevelt Hotel --- President's Surprise! Bill Jameson has been looking forward all year for an opportunity to present this program. Be sure you are on hand next Wednesday. You won't be disappointed!

## AND THE FOLLOWING WEEK-----October 3

Dinner meeting! Ladies night! No long speeches! But an excellent program.

Professional Photographer George Henry presenting a 34-minute film 'The River Odessey', giving you a ride down the Green and Yampa Rivers of the Utah and Colorado on a raft. Better than the first CINERAMA film. (Remember when you rode with that pilot down the canyon?) Same sensation except now you're riding a raft with George Henry. (Suggest you bring a towel.) Because in addition to being a well-established Professional Photographer in the Cedar Rapids area, George is a qualified and Professional River Rapids Pilot. He has been riding and piloting rafts loaded with thrill-seeking tourists down the rivers of the American Rockies for a number of years. And his films? Just ask anyone who has seen them. They are sensational!

Oh yes! And there will be a fine dinner preceding the program. Plan to attend. When, where and price "to be ann.", as they say under TV program listings!

## LAST WEEK

Carl Oehl, Manager of the Colony Market Place, South Amana discussing little known facts about our interesting neighbors to the southwest. (But the refrigeration manufacturing plant in Middle Amana needed some promotional literature printed in a hurry; so instead of listening to Carl at the Roosevelt, I was hand-carrying copy to Monticello last Wednesday noon.) But thank God for Jim Loyd----sometimes. Carl Oehl was Jim's guest on the "Open Line" last Wednesday, so I was able to get in on some interesting facts about the colonies.

However, Carl and Jim were really promoting the two-day Amana Oktoberfest on the "Open Line". An interesting outing if you haven't attended the affair in previous years. Or even if you have. A parade at 11 A.M. on Saturday, and a German language Pageant and Musical in the Lakeside School at 2:30 and 7:00 P.M. Art Festival both days. And of course, beer and bratwurst!

### Sept. 26 Meeting

"President's Surprise" was the meeting theme, and outgoing president, Bill Jameson, dwelt for some length on the achievements during the past year, which Bill feels was a "pretty good year". Many activities are started and going well with numerous members involved. The feasibility study for the club sponsorship of the Big Brother program is progressing. Also, the Pancake Day appears to be off to a good start and should become an annual event. Bill hopes these projects will mature during the next year.

Recorded selections took up the rest of the program. Seems to me that I've heard most of them before, though.

### October 3 Meeting

The annual meeting for the installation of new officers will take place next Wednesday evening at the Montrose Hotel; social hour at 6:30, dinner at 7:00. We all should be at this meeting to show our appreciation to the officers for the past year and to welcome the new officers. George Henry will show a movie and Duane Anton promises there will be "Zingers"!!?

### Pancake Day

By now you should have received tickets to sell or buy for the Kiwanis Pancake Day on November 3. The Advanced Ticket Committee has vowed that the club will sell at least 2000 tickets before October 20 which means that each member is responsible for 20 tickets. The following quotations, from other sources, should help you in your sales efforts.

"I never met a pancake I didn't like."

W. Rogers

"Soft and warm and sweet and tender..."

Words from "Pancake from Ipanema"

Brazilian Bosa Nova

### New Secretary

Bob Dye has agreed to become secretary for the next year. The club has been fortunate to have had such a fine secretary as Joe Power and the club is also fortunate to have someone such as Bob Dye willing to take over this important position.

### New Editor

You've noticed that we have a new editor for this paper. Vern Perry should have our appreciation for such a fine job during the past several years. We all hope the new editor does as well.

### It's All Hash

Guest of R. Landis, Wednesday, was Bob Roberts. Kim Stevely has an anniversary. Bob Rush reports that Roy Stoddard has been released from the hospital and is now at home. Jim Oetken read to the club. (He's a much better reader than Jim Loyd.) Tom Heabel has become a new father.

### Projects Committee

Gene Young reported on two projects. On October 21 or 28 (the date to be determined later) Kiwanis will furnish the manpower to plant shrubs and trees at Northview Park. A picnic will be held too. The committee is also working with the Cedar Rapids grade school system to sponsor a bicycle safety training program in the grade schools.

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

October 6, 1973

Bob Butterfield, Editor

## THIS WEEK

October 3 - Lt. Governor, John Mitchell, congratulated the outgoing officers for a job well done----and installed the 1973/1974 officers with a reminder that they are following a fine act. Some fifty Downtown KIWANIS and their wives/guests assembled at the Montrose Hotel Wednesday evening to honor the 1972/1973 officers and welcome the new team consisting of President Dick Landis; 1st Vice President Russ Mueller and 2nd Vice President/Program Chairman Duane Anton. In a brief acceptance speech, Dick congratulated outgoing President Bill Jameson for providing imaginative leadership during a successful 1972/1973----and the basis for an exciting and fruitful 1973/1974.

Ed Colton and Gene Young led that most unqualified group of singers, the Downtown KIWANIS, thru several "selections". (Gene is improving. He has finally learned that we do much better if he plays loud! So the piano/organ drowns out the singers!)

Following the installation of officers, George Henry Cedar Rapids Professional Photographer, took us down the canyons of the Yampa and Green Rivers via a narrated color film, "A River Odyssey". George has been piloting the rubber boats down the rivers of Utah/Colorado for some 17 years. The film was prepared by George at the request of Hatch River Expeditions, his employer during the Memorial Day to Labor Day season. The film is a very professional, informative promotion piece, used to help sell the 4-day, \$99.00, thrill-filled ride down the rapids.

## NEXT WEEK

The program for next week will be Jim Steinbeck, the candidate for Safety Commission.

## PANCAKE DAY---November 3

Some 50 posters to promote the KIWANIS' Pancake Day will be available for distribution the middle of next week (October 10/11). Publicity workers from the four participating Cedar Rapids clubs are working together to let the community know what is on the griddle. Jim Loyd has agreed that he will give the promoters a hand and a program to promote the affair via the newspaper is in the works. The committee will welcome ideas from the members. Give Charlie McIntyre, Bob DeMeulenaere or Vern Perry a call.

Ticket sales are not progressing as well as expected. 700 tickets have been distributed by the Advance Ticket Sale Committee which means that 1300 more are available for members to sell in order to meet our goal... You are all encouraged to do your very best to make this Pancake Day a successful annual event, and this means selling at least 20 tickets each.

## REPORTERS WANTED

I am requesting that all the members phone me with regards to any membership news that I can include in the paper each week.

## ANNIVERSARIES

Ken Holvenstot had a birthday on October 4; Happy Birthday Ken! Horace McGrath became a Kiwanian on October 9, 1957.

## October 10 Meeting

Jim Steinbeck, candidate for Cedar Rapids Public Safety Commissioner, addressed the club and then answered several questions. Some salient points brought out by Jim Steinbeck were:

- Out of the 30 mills of property tax in Cedar Rapids, 17 mills are controlled by the Public Safety Commission.
- He feels that there is some dissention within the Police Department and feels that a lack of communication between the department and Public Safety Commissioner causes this problem to a large extent. He promises to correct this problem if elected.
- Public relations are not satisfactory in both the Police and Fire Departments. He will "humanize" the officers by eliminating the "stereotyped" officer image. He will encourage the Officers to become more active in the community.
- He stated that the Police Department is strictly honest and is cooperating fully with the current investigation.
- He foresees more cooperation and coordination between the city and county law enforcement agencies.

All in all, an interesting presentation.

## October 17 Meeting

Joseph E. McCabe, Chancellor of Coe College and member of the Board of Trustees of the Hoover Presidential Library at West Branch will speak on "The Herbert Hoover Centennial - Slander and Vindication."

## Tree Planting

On Sunday, October 28, 2:00 p.m. at Northview Park the club will plant some trees and bushes. This will be followed at 4:00 p.m. with a lunch - hot dogs, pop and coffee furnished by the club and one dish for pot luck brought by yourselves. Wives and children are invited. If you plan to attend, phone Tom Heabel (365-0571) before Wednesday, October 24.

The club has purchased several trees, the remainder will be furnished by the parks commission. A small plaque noting that the trees were planted by KIWANIS will be located in the area. The tools will be furnished.

This is an opportunity to provide a service to the community and participate in good club fellowship at the same time. If your Sunday afternoon is free, phone Tom and dig in.

## Pancake Day

Pancake Day Ticket sales are increasing but not fast enough to reach our goal of 2,000 tickets. Please try harder. Also, if you are not planning to use all the tickets you are purchasing, send them to Major Adney and he will distribute them to some people that will use them.

Charlie McIntyre requests a meeting of all Pancake Day committee chairmen for Friday, Oct. 19, 12:00 Noon, room 215 Roosevelt Hotel.

## Board of Directors

Gene Young and Jim Oetken were both nominated to fill the vacancy on the Board of Directors. Election will be next Wednesday, October 17.

## Guests

Larry Fishwild was the guest of Joe Powers, L.B. Dewees was the guest of Hugh Dewees.

## Other News

Ralph Dresher is in St. Luke's Hospital but is expected to be home again in a few days. (Bob Rush was scooped on this one...must be more alert, Bob!) Attendance pins will be in next week. Frank Race is leaving this week for Coral Gables for the winter season.

Bob Butterfield, Editor

October 17 Meeting - The speaker, Dr. Joseph McCabe, Chancellor of Coe College, was introduced by Bob Armstrong. In spite of several comments to the contrary from the membership, (Cornell Alumni Section), Mr. Armstrong's rather lengthy introduction was both interesting and humorous.

Dr. McCabe spoke on "The Herbert Hoover Centennial - Slander and Vindication", a review of some of the events in President Herbert Hoover's long and illustrious career. Beginning with Hoover's early years in Iowa, where orphaned at age 8, through his career as the "world's foremost mining engineer", through his election to the presidency of the United States and finally as a respected statesman following the presidency. Dr. McCabe presented to the club an embodiment of the spirit of this great man and Iowan, Herbert Hoover. A most interesting and learned presentation.

October 24 Meeting - Mr. Peter F. Bezanson, Chairman and President of MorAmerica Financial Corporation will describe the proposed plan for the new Civic Center and Hilton Hotel complex to be erected on the urban renewal block on 1st Avenue between 3rd and 4th Streets in Downtown Cedar Rapids.

Board of Directors Election - Gene Young was elected to the Board of Directors effectively immediately.

Pancake Day - If you haven't yet turned in your funds for the pancake day tickets, please do so immediately. The club is not yet fulfilling its potential as far as ticket sales are concerned, but we still have time to make a good showing if we all do our best.

Tree Planting - The tree planting expedition in Northview Park has been postponed to November 11 at 1:30. Basically the same arrangements as previously scheduled.

Bob Rush Scooped Again! - Come to find out; Bob Rush was previously scooped in membership welfare last spring so that last week was actually the second scoop against Bob.

Guests - Guests of W. Jameson were Capt. G. Griffen and D. Blome; guest of Jim Oetken was Jerry Bretz; guest of Joe Power was Larry Fishwile; guest of R. Landis was Bob Roberts.

Anniversaries - Dick McConnell October 14, 1964; Richard Landis October 16, 1968 (seems longer - to many members).

Organizational Meeting - All 1973-74 committee chairmen Tuesday night, 7:30 at Guaranty Bank lobby.

Bowling Report - Russ Mueller gave the bowling report - the team has moved up to 11th place and is only 34 games out of first place - obviously bowling over their heads.

Attendance Pins - Bob Dye announced that attendance pins will be distributed next week.

United Nations Festival - Steve Root announced that the United Nations Festival will take place at Coe College Auditorium on Wednesday, October 24 at 7:30 p.m. Steve recommended this program to all members and their families. No admission charge.

Bob Butterfield, Editor

October 24 Meeting - The simmering feud between the Coe College faction (R. Armstrong) and Cornell College faction (O. Lawrence) boiled over again at the meeting Wednesday. In spite of the fact that he felt that the Cornell group did not show the proper respect towards the superior Coe contingent, Bob Armstrong offered, (literally) an olive branch as a token of peace to Orrie. I am sorry to report that this peaceful gesture was spurned and the division in our ranks continues. There is a move afoot I understand, to have our respected president, R. Landis mediate this problem, but since he is a Cornell alumnus, there might be a question about his impartiality.

After the above donnybrook ended, Mr. Armstrong did manage to introduce the speaker Mr. Peter Bezanson. Mr. Bezanson first gave us a summary of the conception of the idea for the proposed civic center, Hilton Hotel and parking building in the downtown area of Cedar Rapids. He then described in detail the layout of the buildings and the preliminary cost estimates for the entire project, which can be accomplished without a property tax increase to any of the citizens of Cedar Rapids. According to Mr. Bezanson, this proposal has received excellent reactions and responses from all of the individuals and groups that have seen the proposal. He hopes that the approval for the start of the engineering will be given soon.

October 31 Meeting - Next Wednesday we will have two speakers. One speaker will be Steve Schrader, son of Rex Schrader, who will describe his experiences in Switzerland last summer as sponsored by the Experiment in International Living. The second speaker will be Mark Ziegler of Marion. Mark was sponsored by our club in the Experiment in International Living and visited Norway.

Also, next week there might be another episode in the feud mentioned above so plan to attend.

Perfect Attendance - Perfect attendance awards were presented this week by C. Fenner. Awarded were: Gene Adney 2 years; Duane Anton 1 year; Ed Colton 10 years; C. R. Fahrney 16 years; Clarence Fenner 38 years; Ken Holvenstot 13 years; Ken Hunter 1 year; Bill Jameson 4 years; Dick Landis 3 years; Charles McIntyre 2 years; Roy Parker 31 years; Vernon Perry 2 years; Joe Power 9 years; Frank Race 3 years; Stephen Root 1 year; Clyde Sanborn 19 years; Joe Stenner 14 years and Howard Vander Schaaf 3 years.

Pancake Day - All tickets for the November 3 Pancake Day should be either sold or returned by next Wednesday. This is necessary in order that the requirements for the pancake ingredients can be estimated. Please sell the tickets and send the money to your Advance Ticket Committee members, but if that is not possible, return the tickets as a last resort.

Guests - Guests last week were: Harold Ward, guest of Jim Downing, (You're supposed to pay for your guest's dinner, Jim!) George Wetsell, guest of W. Brown; Craig Anderson, guest of D. McConnell; Gary Ellis, guest of R. Landis.

Birthdays - Birthdays celebrated were K. Holvenstot, D. Valentine, V. Woodford, R. Gable and O. Lawrence. All refused to give their age.

Editorial Comment - It is appropriate that the solemn beliefs of the editor with regards to this well known newspaper be expressed at this time. There are but two simple rules to this creed:

1. What ever is printed in this paper is always right (and don't confuse us with facts). Or to put it another way, this paper is never wrong, well, hardly ever.
2. All sides of every question should be printed. If you have any disagreement with the editor of this paper, it is our belief that your views should also be printed. . . . in your own paper.

Iowa  
a place to grow

November 3, 1973

Bob Butterfield, Editor

October 31 Meeting - Round 3 of the current battle of the century between O. Lawrence and R. Armstrong started with a brisk attack by Orrie. After fiery comments on the verbal integrity of Bob, Orrie then launched into a vehement tirade on all aspects of Bob Armstrong's recent peace proposal, the kindest of which noted that even the professed olive branch was phony! At this point, an offer to mediate this cataclysmic battle in a Christian atmosphere by Rev. A. Herbst was rejected out of hand by both parties.

Bob Armstrong then launched a major counterattack. Noting that years ago he had personally acted as a patron and friend to Orrie within the Kiwanis Club because of the compassion he felt at the time for this "retarded youth", he now finds Orrie ungratefully turning on his benefactor. Bob then proposed that a committee of the whole membership be formed to bring impeachment proceedings against Mr. Lawrence and many of their cronies from both sides of the aisle took up the hew and cry, some for and some against (mostly for).

If it hadn't been for quick reaction by Al Gravelie (self-appointed ad hoc Sergeant-at-Arms) to quell this stormy confrontation, there is no telling where it might have led. However, with a few mild words by Al, the combatants retired, and the meeting continued calmly; our Kiwanis Club having survived another threat within its membership.

October 31 Program - The program itself consisted of excellent presentations by two area high school students who took part in the Experiment in International Living last summer. Mark Ziegler, Marion High School, traveled to Norway and lived with a Norwegian family in a small town in southern Norway. Steve Schrader, Washington High School, visited Switzerland, stayed with a young family near Zurich and was able to do some real mountain climbing while there. We all feel a sense of pride to see these young gentlemen who represent our country and our area on this program.

Tree Planting - The tree planting program for Kiwanis families is still scheduled for November 11 at Northview Park. Planting will begin at 1:30 with the meal planned for 3:00. Phone Tom Heabel if you can attend.

O. A. Anderson - A moment of silent prayer was held in remembrance of O. A. Anderson.

Pancake Day - By the time you read this bulletin, if you haven't turned in your money or returned your tickets for the Pancake Day, you haven't done your share towards making this day a success. However, still better late than never - turn your money in as soon as possible. As of this writing, we have \$527 returned.

Other Notes - Al Olberthien, Cedar Rapids Safety Commissioner, was guest of A. Gravelie. Bill Pohorsky had a birthday. E. Colton and G. Young led the melodious sing-along. Ed also gave the bowling report - the team is still progressing towards the top. The Roosevelt tried another experimental meal on the membership. Bob Matteson has moved to the Denver, Colorado area.

Board Meeting - Next Tuesday, November 6 - all membership invited to attend.

November 7 Meeting - A representative of the new Indian Creek Nature Center will describe the center.

November 7 Program - After sweating it out until the last minute, our second vice-president, D. Anton, did come through with a fine program regarding the Indian Creek Nature Center. This program, presented by Nature Center board members, Bruce Sampsell and Brenda Warner, described in some detail the nature center which will consist of a renovated facility on a six acre plot adjacent to 130 acres of woodlands acquired by the city of Cedar Rapids. The Nature Center will be self-supporting after an initial fund raising goal of \$200,000 is met. The Nature Center will provide available educational area for the Linn County community and school system and will have a full time director.

November 7 Meeting - The vendetta between R. Armstrong and O. Lawrence has been brought to a halt through the good services of Rev. A. Herbst who got the two dissidents together in his parish office and read the scriptures to them. "After checking out the so-called olive branch, which was really a cockle burr, I quoted various scripture passages to them for about an hour," Rev. Herbst said. "The thought then came to mind, 'Ye are a stiff necked people.' It wasn't until about the third hour, after I had turned the thermostat up to 150° to remind them of the future consequences of their behavior, that they begrudgingly reached reconciliation." He then quoted to them from the various Old Testament prophets including Golda Meir.

To insure that this reconciliation was permanent, they were both presented with plaques which admonished them, "Thou shalt love thy neighbor as thyself, even O. Lawrence" in the case of R. Armstrong and vice versa for O. Lawrence. Rev. Herbst then closed with a scripture quotation, Deuteronomy 6:69. So be it!

For a moment I thought President Landis was going to ask Arnold Herbst for a contribution to the Duck for all of this free advertising of his counseling services, but I'm glad he didn't.

Come to find out, this feud had its beginning in a mutual business venture some years ago. Howard Smith's personal research discovered that the two entrepreneurs had formed a company to cross breed crocodiles (reptile) with abalone (fish) to provide animals the size of crocodiles with the tender meat of the abalone; these animals to be called Abadile. However, through some mix up, the wires got crossed and what they ended with a Crocabolony - an obvious failure. We thank Howard for this historical footnote.

Pancake Day - The last few unsold tickets and ticket money for the Pancake day held Saturday are still coming in, so it is difficult to say exactly how much the club made on the venture. R. Landis estimates that we will net about \$300 in our club. My own estimate was between \$200-\$400 so we agree that it will be in that area. Everyone connected with the project from all the Kiwanis clubs, was encouraged by the good response this year and we all are optimistic that this event will become more and more successful each year.

Tree Planting - Tom Heabel has notified me that the tree planting scheduled for Sunday at Northview Park has been cancelled.

Other News - Ed Colton reported the bowling team is falling rapidly. They must need some of that good leadership they had last year.

It was reported that Bill Jameson's father was the recipient of the highest award from the American Bar Association.

Bob "Scoop" Rush was not available for comment on membership welfare. Who reports on the welfare of the Membership Welfare Committee Chairman?

R. Landis is tape recording the Board meetings. I wonder if Sen. Sam Irvin knows about this.

The editor of this paper lost the list of guests that were at the last meeting. However, we were honored by the visit of 10 members of the Marion Kiwanis.

Next Meeting - Ted Johnson, president of J-Tec Associates will present "A Crusade in Europe."

November 17, 1973

Bob Butterfield, Editor

November 14 Meeting - All of us at one time or another have wanted to revisit an area or place where we spent part of our younger years to gain a clearer perspective of our nostalgic memories and, perhaps, to reminisce. Such a journey to Europe was shared with us at our meeting by Mr. Ted Johnson.

A member of the well known Rainbow Division in WWII, Master Sgt. Ted Johnson traveled in combat through the area of France and Germany along the Rhine in January 1945. Later, he was a part of the occupational army in Austria. He was finally able to revisit this area in 1973 and took many slide photographs of the area, showing the same locations in which he had fought and occupied nearly 30 years before. He found many changes, but also found much that he was able to recognize after all these years. Another fine program.

November 21 Program - The program for November 21 sounds great! A multi-media group from California, Camfel Productions, will present "The 6th Door". This is described by Bob Dye as a message of man's search for personal freedom. This program was successfully presented at the All Iowa Fair this year and, according to Bob Dye, "It really has a message." Don't miss this program, because it is a real knockout.

Peace Prize for Arnold Herbst - Because of the fine work he has done over the past several weeks in resolving the great conflict between the two Kiwanis combatants, Rev. Arnold Herbst has been nominated for the Nobel Peace prize. Our president was requested to submit Arnold's name, but got all mixed up and wrote the letter to the Norwegian legislature instead of to Sweden (probably included it in one of his wife's letters home to save postage). When this error was politely pointed out to him by Bill Jameson, Dick Landis got quite belligerent and we all thought for awhile that Rev. Herbst might have a chance for two peace prize nominations. However, come to find out, apparently Dick thought that Oslo was in Sweden so it was easy to understand how he got fouled up. It was a thoughtful gesture, though, to nominate Rev. Herbst and if we get the mailing address straightened out, he may win the prize after all.

Other News - Results from the Pancake Day are still not completely tabulated. C. McIntyre is working on this and should have the results soon. Also, if you worked during the Pancake Day, notify Charlie of the hours, since our club's share of the proceeds is prorated on the basis of hours worked by each club.

Guests were: John Steward, guest of Gene Young; Bob Rush Jr., guest of Bob Rush.

Birthdays: Bob Rush, Jim Oetken and Rick Chandler.

Welfare: Ray Stoddard is at home getting along nicely, according to Bob "Scoop" Rush. Nice report, Bob!

Kiwanis Ladies - The Kiwanis Ladies are meeting regularly again and all of the members' wives are invited to join this auxiliary organization. Mildred Downing should be contacted for information.

Letter to Editor - Dear Editor: I would like to complain about the meals at our meetings. The food is no good. Also, the servings are too small and somebody always eats my dessert. What can be done about this? Signed: Hungry Member

Dear Hungry Member: First of all, the food is the best that \$2.00 can buy and the servings are large enough for almost anyone. As far as somebody always eating your dessert, I think that if you stop sitting at the same table as Jim Loyd, this problem will resolve itself. Editor

Thanksgiving Thought - The following thought for Thanksgiving is written by Steve Root-

*A THANKFUL MAN--Lord, I am thankful for the coarse feel of bread between my hands; the squeezing embrace of my children; the patience born of love of my wife; the unhurried conversations with my friends; the warm heaviness of my coat on a winter day; the thawing heat of my fireplace; the roar of the ocean and the gull's cry; the bracing air of the mountain; the eagerness and confidence in a youth's eyes; the hand of common sympathy or concern on my shoulder; the prideful feeling of a parent - grandparent. Father I thank you beyond words for Yourself expressed to me in the saving life and Spirit of Christ. Grant that I may always be more ready to share and give the significant things in life than to receive. May I always be a loving, simple, direct child of yours, in short, a thankful man.*

November 21, Program - The program presented to the membership by the Camfel Productions group was one of the best of an exceptionally fine series of programs we have been enjoying for the past several months. Entitled "The 6th Door", this multimedia production explored and expounded the six symbolic doors to freedom and happiness. The sixth door being the achievement of this goal through Christ; this being the only true path.

The program used the contemporary idiom, but the meanings were also plain for all of us to see. It is too bad that the entire membership couldn't have been there to see this terrific program. Thanks to Bob Dye for making it possible for us.

November 28, Program - It sounds like another winner next week. Jim Oetken has invited some of the leading Cedar Rapids sports writers, including Tait Cummins to discuss the current coaching situation at the University of Iowa, especially with regards to the firing of FXL. Sounds like another winner (the program, not the coach).

Pancake Day - The returns are in from the Kiwanis Pancake Day and Charlie McIntyre reported that our club had a net profit of \$493.75. This was nearly double of my previous estimate and is a tribute to all of the members who spent so much time on this project. Our club spent 85 man hours on the project and we sold 560 tickets. We all expect that this project will improve year after year and we are gratified that it was successful from the start.

I think that a special word of thanks should go to Charlie McIntyre who started working on the Pancake Day in July and coordinated the entire well organized program for all of the four Kiwanis clubs involved. Bob DeMeulenaere was the General Chairman for our club and also did an exceptional job. We are indebted to these two gentlemen for the success of this project.

Other News - Anniversaries - Bryce Fisher and Ken Holvenstot.

Birthdays - C. McIntyre. Also, Jim Oetken was sad until we sang happy birthday to him too because he missed last week. Then he only gave 29¢ to the duck. I guess I don't know what kind of sound ducks make, because I could have sworn it said, "Cheap, cheap".

Russ Mueller reports that our fantastic bowling team shall rise again. He mentioned that everytime Captain Ed Colton is not there to bowl and Russ Mueller is, that the team seems to win all of the games--must be a message there somewhere. We were pleased to hear that Adolph Helm will be bowling again next week following his long illness.

Bob Rush reports that all is well with the membership

Major Adney lost a \$2 bet with regards to the Pancake Day but was happy to announce that ground will be broken for the new Salvation Army building this Saturday. Congratulations, Major!

Slander - Our esteemed president, Dick "Watergate" Landis, has brought unsubstantiated charges against the free press in this country because of certain truths that were reported last week in this paper. President Landis, claims that he knew all along that Oslo was located in Norway. "Who are you going to kick around when I'm gone?" he asked in an emotional address to the membership.

This paper calls upon President Landis to produce the tape recordings of November 16 of his conversations with the Cedar Rapids Library when he asked, "Could somebody there please tell me where Oslo is located?" It is our understanding that he has retained the services of a local lawyer who happened to be passing by to press these charges. I call upon the membership to rally behind your editor in this time of trial.

## THIS WEEK-----December 5, 1973

Roosevelt Hotel----Lt. Governor Arthur Neu will bring us up-to-date on happenings on Capital Hill, Des Moines. We last heard Arthur Neu when he was State Senator Neu from Carroll campaigning for the Republican nomination for Lieutenant Governor. That visit to the Downtown KIWANIS was on July 5, 1972. Neu predicted at that time that a key issue in the 1973 legislature would be a plan to shift school finance costs from local property taxes to some other form of tax---income, sales or state property tax. One of his stated goals if elected was to be to reduce the number of committees and restructure the committee set-up in the legislature. Wonder how it all came out? Appears he has succeeded in one of his goals----don't think he has embarrassed the Governor as his predecessor did! But, notice Neu has had a running argument with State Senator Elizabeth Shaw concerning a tax reduction based upon the current surplus. Neu doesn't want a tax reduction or rebate. Shaw does. (Senator Shaw is from Davenport.)

BOARD MEETING----Tuesday, December 4, Noon, Roosevelt.

## LAST WEEK

Bob Brooks, Ron Gonder and Gus Schader related a number of little known, never-to-be-aided-or-printed rumors and facts concerning the U of Iowa's athletic problems. Bob, Ron and Gus aren't optimistic concerning the future of football at Iowa. But there must be a way! Some way other than the recruiting methods "removed" to have been used during "Evy's" regime. Ron Gonder predicts Iowa will win at least half of its basketball games this season. And the Michigan/Ohio State Rose Bowl fracas was kicked around. (Sounds interesting. Too bad Editor Bob B. and I had to be out of town!)

## PROGRAM---December 12

Program Chairman Duane Anton advises Coach Wayne Phillips, Coe College and his Senior Lettermen will visit us Wednesday Noon, December 12. The Coe Conference-Winning Football Team has been the brightest spot on the local sports page this fall. "Phiz" and the Lettermen may be able to give us some insight into the building of a winning team.

## CONTEST COMING UP

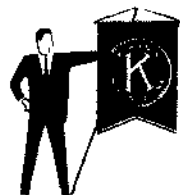

President Landis advises that the Club is about to make a move. Aggressively, to place more gum/candy machines where they can collect loose change. Give it some thought. You must know of some likely spots where the little bandits can be strategically located. Believe someone mentioned previously that one of the best spots is near a restroom where mothers take the kids in. Some place where the kids will see the machines both comin' and goin'. You know how permissive parents are these days!

Let's be sure we get our share.

NOTE: Your Editor, Bob Butterfield, will be back next week with more philosophy and a report on the latest developments in the feudin' and fightin' within the ranks of the Downtown KIWANIS. Possibly, even a "Bowling Report." Don't miss next week's bulletin.

Bob Butterfield, Editor

December 5 Program - Iowa Lieutenant Governor Arthur Neu spoke to the Kiwanis Club regarding the issues that will face the 1974 session of the Iowa Legislature. The main issue will be the \$124 million surplus projected for the state. Per the Lieut. Governor, these are three ways now considered to handle this "problem":

1. Cut taxes or provide a rebate.
2. Keep a large operating balance to handle potential income drops caused by the energy crisis.
3. Establish a stabilization fund to smooth out variations in the economy over the years.

Other legislation will possibly be in these areas:

1. A revision in the present 9% usury law to provide a more realistic system
2. The establishment of a Dept. of Transportation.
3. Laws regarding land use policies.
4. The classification of highways into 9 divisions for allocation of road funds.
5. Reorganization of county school systems to provide for better special education needs.
6. Revisions to the criminal code of Iowa.

Next Programs - Will be coach Wayne Phillips of Coe College on December 12 and the Washington High School Choir on December 19.

Bulletin Addresses - The information on the back of the bulletin has been updated and corrections have been made. Please check the information by your name to see if it is correct. If not, please call Bob Dye for any corrections by December 11.

December 5 Guests - Were Burt Day, Alan McIvor (our newest member - welcome to the club, Al), Wayne Mead, Robert Riggs, Tom Riley and a contingent from Coe College of nine senior football lettermen.

Membership Welfare - There was no report given by our Membership Welfare Committee Chairman, Bob (Scoop) Rush, because he wasn't at the meeting. There were no anniversaries and no birthdays.

Club Venture - The Board approved a venture for the club at the last board meeting which will stand to provide additional income to the club of at least \$500. R. Landis will provide more information regarding this venture in the near future.

Record Broken - Orrie Lawrence's tirade record of 84 consecutive meetings of causing trouble was broken last meeting when he didn't get up even once during the meeting and give somebody hell. Well, records are made to be broken. Another potential record was posted Wednesday when Ed Colton spent 9 1/2 minutes asking a question of the guest speaker and then he forgot to end with a question mark. Other than that, a quiet meeting - must be the Christmas spirit.

Bob Butterfield, Editor

December 12 Meeting - Our guest speaker for last week's meeting was Wayne Phillips, head football and track coach at Coe College. Wayne was introduced by Bob Armstrong, who is doing a yeoman's job in the program department for the club this year - this being about the fourth speaker he has introduced to date.

Wayne gave an excellent and good-natured account of the status of the athletic programs at Coe College, and reminded us that Cedar Rapids is the City of Champions in the area of sports with the championship teams in the various high schools and at Coe College. Wayne feels that the sports fans of Cedar Rapids just haven't accepted Coe College as a part of Cedar Rapids. As an example, with a basketball team that finished fourth in the country last year and with the charge of only one dollar per person, Coe is still unable to fill the bleachers for the home basketball games. With a championship football team, Coe is only able to attract 4-5 thousand spectators to their games.

Wayne also discussed his recruiting practices, the one-man track team and the general environment at Coe College which he compares very favorably with Iowa University and the University of California.

December 19 Meeting - The program for next week will be our big Christmas extravaganza with the Washington High School choir performing for us. All the members' wives are invited, as is the usual custom for this annual event.

Apology - Through an error last week, one of our most famous members, Wayne Mead, was listed as a guest. We all know Wayne and are aware that he is a member, and I just can't explain that mistake.

Special Treat - The club members were treated to a special treat when the as-yet-unnamed quartet of Lee Taylor, Bob Roberts, Gene Young and (who else?) Ed Colton, accompanied by Helen Taylor, sang. The group received general acclaim except for one table of members led by Howard Vander Schaaf and Frank Cosgrove who walked out after the first song. Generally, it was stated that this quartet was the best trio we've heard in a long time.

Guests - Guests were Helen Taylor, guest of Lee Taylor and Wayne Mead, guest of Bob Butterfield. Also, Clyde Sanborn is returned from Florida.

Birthdays - Phil Klinger and Howard Vander Schaaf.

Anniversaries - Joe Greenlief, Ron Moore and Wayne Mead.

Welfare Report - Bob Rush reports that all is well with the membership. He also reports that Roy Parker is moving to Arizona at the first of the year. Did you ever notice that Bob Rush shakes hands with so many members at each meeting? Actually, he is checking their pulse and getting ready in case he has to make a report in a hurry some week. He is determined not to be scooped again.

Hats Off - Our hats are off to the Cornell contingent because they didn't reply to the taunts of Bob Armstrong, Coe Alumnus. It wouldn't be surprising if St. Nick put a little extra in their stockings for being such good sports about the poor Cornell teams lately.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

December 22, 1973

Bob Butterfield, Editor

## December 19, Program

The Kiwanis Club was treated to a fine program of Christmas-spirited music from the Washington High School choir. Happy music always seems to bring out the best feelings among the membership and this music was certainly happy music. It is a tribute to our city and to the Washington High School that such a group is available to provide enjoyment and culture to organizations such as ours.

## December 26, Program

On the Second Day of Christmas, Howard Smith has arranged for Peter Harstead, Director of the Iowa State Historical Society to present our next program. Maybe Duane Anton will present us with two turtle doves and a partridge in a pear tree too!

## Serious Problem

Our number one current problem member, Wayne Mead, is now complaining that he never gets a bulletin anymore. Dick Landis feels that this problem has something to do with being current on payment of dues, but others feel that since Wayne has been listed as a guest for the past several weeks, Bob Dye automatically dropped him from the mailing list. Whatever the case, Wayne, if you don't get a bulletin this week, phone me and I will personally bring up my copy for you to read. (Come to think of it, I guess that if you don't get this bulletin, you won't see the above note. Why don't some of you members call Wayne early Sunday morning to make sure he got his bulletin. It would be a nice gesture.)

## Notable At Meeting

It was noted that D. Anton, Second Vice-President was at last weeks meeting. Unsubstantiated rumors have it that he will be at next weeks meeting too.

## Membership Reunion

Most members were incredulous when they observed Bob Armstrong and Orrie Lawrence fraternizing at the same table last Wednesday, and with non-belligerent, almost cordial behavior too! Could it have been the happy Christmas music mentioned above that mesmerized them, or perhaps it was that Kim Stevely, with a gavel club, sat between them as a kind of Dutch-uncle referee. They even spoke to each other. It went like this-- "Please pass the salt." "Not in a million years." Well, in any event, it is apparent that the club's goal of reconciliation between these two errants has shown some results.

The Editor wishes all of you a Merry Christmas.

Bob Butterfield, Editor

## December 26, Program

Howard Smith introduced our guest speaker, Dr. Peter Harstead, of the Iowa State Historical Society. Dr. Harstead discussed the various periods of history in Iowa's past including the pre-written times, the times of the explorers, the pioneer and settler periods and the more recent historical period from the time that Iowa became a state to the present. Dr. Harstead's main theme was that from the earliest days of Iowa, the active members of her communities were always interested in Iowa's history. This is in direct contradiction of O. Spengler's philosophical theorem which stated that a country had reached it's "autumn period" when it became deeply involved with it's past.

The current proposed projects and the monetary needs of this state supported organization were also outlined by Dr. Harstead.

## January 2, Program

The January 2 program will be another fine one according to D. Anton. Although the exact program wasn't discussed in extensive detail, it has something to do with a "hole in the schedule". Sounds like fun!

## Club Finances

Two important announcements were made during the last meeting with regards to the club's finances during the next year:

--Bill Jameson disclosed that the club will receive a donation of \$1000 from the Keyline Freight Co. through the Darling Family Foundation. This donation was made possible because of the good work the club has done with young people and especially, the plans for continuing and extending this work in the future. Bill and Jim Downing have been working on this since last summer and deserve our appreciation for their good work.

--Dick Landis announced that the club will receive a minimum of \$500 with a potential of \$1400 for agreeing to sponsor books of tickets called Kiwanis Golden Checks. These tickets, when purchased for \$15, entitle the purchaser to free meals and services at various local establishments. Dick has checked this project out thoroughly and it presents no liabilities for the club beyond the use of the club's name.

## Good News

John Palmer announced that Bob DeMeulenaere is the proud papa of a baby girl. Congratulations, Robert!

## Guests

Allen Herbst was the guest of his father. Gene Young's father was his guest. The East Side Kiwanis sent a delegation of Capt. Ed Jamis, Ray Larson and Hal Wilson. Wayne Mead brought his two triplet brothers Wally and Warren. They both agreed to help Wayne meet his club financial problems.

## Other Events

Yes, sports fans, Duane Anton actually brought two turtle doves and a partridge in a pear tree to the meeting as a token of esteem for the editor of this paper in appreciation for all the nice things we have been saying about him lately. However, since it is our policy never to accept gifts from the membership because of the potential obligations, the above fowl things were returned to Duane. Thanks for the nice thought, though.

Arnold Herbst recalled a club he belonged to in college that was so anti-everything that they only accepted as new members, men that didn't want to join. There must be a germ of an idea there for the Membership Committee.

HAVE A HAPPY NEW YEAR!
